PRESIDENT'S REPORT 1962

Gentlemen,

Another year has passed, a year full of incidents, a year in which referees in general were subjected to a spate of criticism to a greater degree than ever before. In the main the criticism was unjustified and because of the source can be ignored.

The standard of refereeing was good but, nevertheless we must not become complacent but should constantly strive to increase our efficiency.

In the midst of the criticism we were greatly heartened by the support given us by the President of the New South Wales Rugby League Mr Bill Buckley.

During the off season the N.S.W. Rugby Football League has devoted much time and energy to ways and means to advance our code, and this year will see some changes in the rules which should prove beneficial to the game and to the spectators.

One aspect of the game which still requires attention, and the remedy is in the hands of referees, is the elimination of the deliberate. This infringement is bottling up our game and spoiling it as a spectacle. People will pay to see constructive football and we have our part to play to see that they get it. Offenders must be dealt with and shown that this negative action will incur a penalty far outweighing any temporary advantage to their team.

PRESIDENT'S REPORT (Cont.)

Our newly graded members acquitted themselves very favourably and special mention must be made of Jack Bradley; and Arthur Neville who performed so very well that they both achieved First Grade Honours. Jack Bradley in his first year in Grade Referred the First Grade Grand Final, truly a meritorious performance emulating that of Mr. Jack O'Brien.

I congratulate those members appointed to officiate in International, Interstate, Semi-Finals, Finals and Grand Finals and also those members of District Associations appointed to President's Cup and Jersey Flegg Memorial Fixtures.

The Social Activities of the Association were, as usual arranged by our Social Secretary in his inimitable style and were a huge success. Particular mention is made of our members' picnic by launch to Killarney and to the excellent work done by our Ladies Auxiliary.

The meetings were well attended and I would like to record my appreciation of the work done by the Officers of the Association.

The season under review saw the retirement of Mr. Cliff Brown a stalwart of the Association and an ornament to the game. Cliff obtained many honours during his career, honours thoroughly deserved, but his greatest honour is the esteem in which he is held by every member.

To those members who suffered bereavements during the year I offer my sincere sympathy.

In closing I would like to thank all members for the support given to me and to the Executive of the N.S.W. Rugby Football League for their constant assistance and courtesy.

Good Luck to you all in 1963.

(Signed) A.J. Davis.

President.

ALTERATIONS TO THE LAWS OF THE GAME

The following alterations to the Laws of the Game and recommendations covering other aspects of the game were approved of by the General Committee of the New South Wales Rugby Football League at a meeting held on 12th. November 1962 :-

- (a) That the League adopt the suggestion of the International Board in respect to the scrummage rule viz: That the ball must come out from behind the second row of players.
- (b) That the hooker strike for the ball with the foot furthest from the point of entry.
- (c) That the League agree with the suggestion of the International Board that the Play the Ball Rule could be improved if the value of the Penalty Kick was increased and it is agreed that this be done by allowing the advantages of putting the ball in the scrum and the loose head to the non-offending side where a penalty was kicked into touch.
- (d) PLAY THE BALL - That the League agree with the International Board that Referees should be instructed that all offending players should be penalised in an all-out effort to clean up the Play the Ball Rule.
- (e) SCRUM - That all grounds be marked with a ten yard intermittent line and referees be instructed that scrums must be formed in-field from that line.

JUDICIARY COMMITTEE-REPRESENTATION. That a player or referee be not allowed representation when appearing before this Committee.

Deliberate Breaches of Rules That the Judiciary Committee for 1963 be instructed to treat more seriously players sent off the field for deliberate breaches of the rules.

HONORARY SECRETARY'S REPORT SEASON 1962

Mr Chairman and Gentlemen,

The Annual Report and Balance Sheet of the New South Wales Rugby Football League Referees' Association for season 1962 is herewith submitted to you for your approval and adoption.

The Social Activities of the Association for the season are fully covered in the Social Secretary's Report, the general details of the Association's workings are also shown throughout this report.

Season 1963 should be one of great promise for the followers of the Rugby League Code. The pre-season Competition, the Major Competition, the visit of the New Zealanders, the selection of the Kangaroo Team to tour Great Britain in 1963-1964 will be the highlights of the year. The International Board has made several alterations to the Laws of the Game, which we feel will be for the betterment of the Code and it will be our duty as Referees to see that the rules are implemented in their entirety.

Congratulations are extended to the St. George District Rugby League Football Club on winning their seventh consecutive Premiership Competition and also on their success in winning the Flowers Memorial Club Championship and the Reserve Grade Competition.

In conclusion I wish to thank the Patron, President, Treasurer, Committee, Association Members and District Associations and their representatives for their co-operation and assistance given to me during the past year.

(Signed)

SOCIAL SECRETARY'S REPORT - 1962

Mr President and Gentlemen,

It is with pleasure I present for your consideration and I trust subsequent approval a report on the Social Activities of the Association for season 1962.

A little apprehension was experienced when the Association voted to change the venue of the Annual Picnic from Wentworth Park to Killarney and the Annual Family Picnic from Parsley Bay to Lane Cove National Park, however the success of the outings dispelled all fears.

The N.S.W. Rugby League held its first ball at the Empress Ballroom Mark Foy's and the Association was well represented with twenty members and their wives who congratulate the League on its enterprise and hope that this is the forerunner to many more successful functions.

The Annual Picnic of the Association was held at Killarney, members enjoying a launch trip on the harbour in brilliant sunshine, which came after a weeks rain, proved the picnic was off to a good start.

At Killarney a "Bar-B-Que" meal was enjoyed, the steaks averaging a lb. per person were cooked to perfection by our volunteer "Chefs" who did an excellent job on the day.

A morning snack on the journey to Killarney, Lunch, Afternoon Tea and a snack on the homeward journey saw the inner man well provided for.

The Association desires to thank the N.S.W. Rugby League, The N.S.W. League Club for the donations of prizes for the Annual Picnic.

The postponed Family Picnic of the Association was held at Parsley Bay on the 18th. February 1962. Excellent weather was enjoyed by the members and their families who attended. The response to the various events put on by the Picnic Committee was good and this gave the day a real Picnic Atmosphere.

So we move on to the Family Picnic Day set down for the 18th. November 1962 at Lane Cove National Park. This was a day of glorious sunshine, and all who attended showed signs of sunburn towards the end of the day. Interest was maintained all day in the various events and games. The change of venue to Lane Cove National Park was a very good move, the amenities were first class, good Bar-B-Que pits, First Class Track, clean toilet requirements, all helping to make the day a big success. The Association provided Soft Drinks, Ice Cream, Sweets, Fruit etc. Each child received a present. Members' Wives also received a present.
