A WORD FROM OUR PATRON

It is with pleasure that I add a few remarks regarding the activities of the Association in Season 1966 which can only be described as a most successful one.

The highlight of the season was the visit of the touring team from Great Britain. To the Managers and members of the team, we extend our congratulations on a most interesting and successful tour. In particular we are indebted to the Assistant Manager of the team Mr. J. Errock, who honoured the Association by attending as Guest speaker at one of our fortnightly meetings.

The decision of the Australian Rugby League to re-introduce the 5 yard rule in the play-the-ball, proved most successful. In this success, our members played no small part in maintaining a determination to ensure the successful implementation of the League's decision.

May I congratulate all referees who were appointed to represent the fixtures, those who attained grade honours for the first time and those members of affiliated organisations who were appointed District and Country Fixtures. May their successes be an incentive to all who aspire to higher honours as Referees.

The Officers of the Association carried out their duties in the usual efficient manner. We must be most grateful that men of their calibre continue to offer their services not only in the interests of the Association but of the game generally.

Success as a referee is always measured by the amount of effort the individual is prepared to contribute and the extent to which he is prepared to enforce the laws of the game with determination and consistency. May the Association always ensure that the highest standards are maintained by all Referees wherever the game of Rugby League is played.

In conclusion may I express the wish that Season 1967 will be successful one for the Association and all its members.

C. E. WIGZELL

HONORARY SECRETARY'S REPORT SEASON 1966

Dear Sirman and Gentlemen,

I submit to you your Annual Report and Balance Sheet for Season 1966 for your approval and adoption.

The season under report Referees had the honour of participating in the most successful seasons in Rugby League. We saw the Australian Team overcome injuries to well established star players in order to win the Ashes against Great Britain.

Most of our Top Referees enjoyed a good season and participated in various representative games. We saw Mr. Les Samuelson gain representative honours as a Central Referee, Jack Bradley add to his record, Bill Kelly journey to Alice Springs and encourage the game in that centre, Laurie Bruyeres to be as centre man in the Country versus City match, Keith Pearce spread the Rugby League Gospel in New Guinea and then referee the Guinness products at the S.C.G. for their first appearance at the Headquarters of Rugby League.

Jack Pearce enjoyed his best season ever where he added two to his record and then went on to officiate as the top referee in the Grand Final. All the men mentioned were ably assisted by a very competent band of Touch Judges. I feel special mention should be made of Jack Martin who is fast becoming the "Peter Pan" of Touch Judges. Jack once again added the Grand Final to his record.

We had many visitations this year from Referees from New Zealand, Australia, New Guinea and Queensland. All visitors were impressed with the conduct of the N.S.W. Referees meetings and the grounds in which we meet are the envy of all visitors. A most recent visit was that of Mr. Joe Thompson, President of the R.F.I. Referees Association and a member of the Brisbane Football League Committee. I feel that these very frequent visits by N.S.W. and Queensland Officials and Referees are bringing our Associations closer together.

It gives me great pleasure to report that our Delegate to the R.F.I. was appointed team manager of the N.S.W. Touring Team in Queensland.

Congratulations Cliff Brown on your appointment and we all know you did an excellent job as Manager.

During the season your Executive Officers visited many District Associations where every courtesy was extended to the Executive. It is obvious that the District Associations are doing all they can to improve the standard of refereeing in the Juniors and are helping foster future Grade Referees, which is most essential to our game. These men give up a lot of leisure time for Rugby League in coaching, lecturing and monetary gains seem to be farthest from their minds.

Congratulations are extended to Penrith D.R.F.L. Referees Association on gaining District status and I feel that under the guidance of their President, Jack Harris, they will soon become a very prominent Association.

On your behalf I take this opportunity of thanking Mr. W.G. Buckley, Chairman of the N.S.W.R.F.L. and his Committee, for their assistance during season 1966.

To Mr. Harold Matthews and his staff we say thank you for the many courtesies extended to our members during the past season.

To the members of the Sydney Cricket Ground Trust, Mr. Keith Sharpe, Secretary of the Trust and his able Staff go our thanks for the privileges extended to our members.

I also thank the Press, Radio and Television for their assistance particularly thank Channel 7 and Channel 10, who afforded us the opportunity of placing before the Public our interpretations of the Laws of the Game.

To the President, Treasurer, Assistant Secretary, Social Secretary and Sub-Committees, I thank you for your co-operation.

In conclusion I thank all members for your loyalty and support and once again I say thank you for allowing me the privilege of serving as your Secretary.

E. COX
Hon. Secretary

TREASURER'S REPORT

Mr. Chairman and Gentlemen,

It is with pleasure that I place before the Association the Annual Balance Sheet for 1966. The position of all accounts is satisfactory except for a small deficit in the General Account due mainly to some unexpected expenses during the year - this can easily be rectified in the ensuing season. It will be noted the credit balance in the Assurance Account is pretty healthy, there having been no claims during the last two years.

During the year a very fine gesture by the Association in the presentation of Blazers to Life Members at the Beverly Hills Bowling Club Supper Dance - a night that was enjoyed and well remembered. Although a large expenditure was incurred for Blazers, it was financed without any call for extra revenue from the members.

Congratulations to Frank Walsh for the introduction of a Reserve Fund which will provide part of the finance towards our Anniversary Dinner in 1968. Already there is a formidable sum on hand which will be added to during the coming season. Thanks again, Frank, we are indeed indebted to you.

The Association received from the N.S.W. Rugby Football League the same amount as usual from the end of the season distribution, whereas the District Clubs were increased fourfold. Had a small increase been made to us, we would not have finished in the red.

F.O. COHEN
Hon. Treasurer

the pre-Season Competition.

The League is very pleased with the introduction of the 5 yard
rule during the Season but they would like Referees to strictly
enforce the rule during the coming season. All Clubs, Officials
and Coaches are being circulated, so with co-operation from all
cerned we may see the 5 yard rule played at its best.

Also gentlemen I have a feeling the League is going to deal
severely with players committing deliberate breaches of the Rules,
to all Referees I suggest you continue in your efforts to keep al
players onside and crack down on the offenders at all times.

During my visit to Brisbane this year, Brisbane Referees ex-
pressed their earnest interest in the formation of an Australian
Referees Board so I'm hoping with the plans I have in mind that
this will become a reality during Season 1967.

Year 1968 will be the 60th Anniversary of the Formation of th
N.S.W. Rugby Football League Referees Association and your Execut
Social Secretary and Sub-Committees have big plans for an Anniver
Night, so I beg of all members to attend all fund raising functio
we will be having during year 1967.

GRADINGS FOR SEASON 1966

The following new members were graded:

Messrs. N. Clements, W. Crawford, R. Dermondy, J. Kelly, C. Lang
and R. Menser. It was also pleasing to see Rus Bowman and Jack
Bradley re-graded as these two referees were forced out of Referees
for a short time due to business commitments.

congratulate these members on being elevated to the grade particularly Carl Langton, who was elevated to officiate as a Referee in 1st Grade just prior to the close of the season. We should say thank you to our retired members, Messrs. Barry Cripps, Kevin Keough and Denny McCaffney. As a matter of interest I will let you know what these gentlemen are doing now they have retired.

Jack: his talents have been recognised by South Sydney District Club and he is assisting in the running and coaching of their schoolboy Competition on a Saturday morning.

George: has become a keener lawn Bowler and a well known member of Tempe Leagues Bowling Club. Should offer David Bryant, present World Champion, some stiff opposition in very near future.

Barry Cripps: doing a wonderful job as President of Collaroy Surf Club and helping to make that Club a force in any company.

McCaffney: retired due to business commitments and is now Foreman of a big construction project in Gladstone, Queensland.

It was brought to my notice last year I overlooked Bill's retirement in season 1965. Bill is doing well in business with his firm and he was also actively associated with the Board during the season under report.

With respect to our retirements, I think it would be a good idea if we still actively associated around some of our Life Members and Honorary Members and brought them to some meetings, particularly the Annual Meeting. See what you think because we would like to see some of the old faces once

LIFE MEMBERSHIP OF N.S.W. R.F.L. R.A. 1966

Members at the Annual Meeting 1966 saw fit to bestow Life Membership on Alby Holt and Dick Cummins.

Both members had very fine records and they now join the present Life Members who are very proud members of our Association.

Presentations were made to both members and their ladies at an evening at Kingsgrove R.S.L. Club. To the Directors of this Club, I say thank you for the use of your Club.

An innovation this year was the re-presentation of Life Member Blazers to previous recipients for their further sterling work for this Association. The members concerned were Messrs. C. Wigzell, A. Davis, A. Shiner, O. Cohen, J. Moses, G. Bishop and J. O'Brien.

These members were entertained at a Ladies Night at Beverly Hills Bowling Club before a gathering of approximately 30 members, their ladies and visitors.

We also say thank you Beverly Hills Bowling Club for the use of your Club and hope to see you in the New Year.

VALE

To members of the Association and all District Affiliated Associations, we extend our deepest sympathies on bereavements suffered during 1966.

Our thanks are extended to the Board of Directors of the N.S.W. Leagues Club, Mr. Arthur Robinson, and his very competent staff.

SOCIAL SECRETARY'S REPORT

Mr. President and Gentlemen,

It is with pleasure that I present a review of the Social activities for Season 1966.

Following the recommendation of the Annual Meeting to make a presentation of Life Membership Blazers to Messrs. G. Bishop, O. Cohen, A. Davis, J. Moses, J. O'Brien, A. Shiner and C. Wigzell, it was decided to hold a special evening at the Beverly Hills Bowl Club to start the season's activities. With these members coming from all Associations, this evening was very well supported by all members and their friends who turned up in great numbers to do justice to the members receiving this re-presentation. These members have proved by their interest, attendance at meetings and functions put on by the Association, to have always had the welfare of the N.S.W. R.L. Referees Association uppermost in their minds. On behalf of all members I congratulate them and wish them continued good health.

CONVIVIALS

The number of convivial held this season not only helped to cement friendships but also to make a start to the Special Fund for the celebrations which will mark the 60th Anniversary of the Association in 1968. I wish to offer our thanks to all the members who acted as Stewards or in some way helped to make these evenings a success.

SCHOOLS CARNIVAL

Due to the inclement weather the All Schools Carnival for 1966 was abandoned; the Association had made the necessary arrangement to entertain the lads from the country at the N.S.W. Leagues Club, so we look forward to now doing so in 1967.

ANNUAL PICNIC

For the day of the Annual Picnic the same inclement weather was with us and anyone who attended will vouch that the drought was

that day at Killarney. Despite this there were 88 members, wives, visitors and friends of the Association present and I like to thank all who attended because it was the type of day allowed only the dedicated to come along.

Arnold Stehr, Deputy Chairman of the N.S.W. R.F.L. made the trip and down Hill 60 on foot to get to the ground and his effort certainly worthy of our thanks to him for his attendance.

Jack Drewes although unable to be with us himself, sent along a cheque worth \$10 to be competed for on the day. These went to the R.F.L. R.A. Relay event won by St. George. The N.S.W. Rugby made a trophy grant of \$10 and the N.S.W. Leagues Club gave a grant of \$10.50. Our thanks to all these people for their assistance.

co-opted members on the day to assist the Social Committee run sort of indoor competitions. These members were - J. Martin, Kelly, J. Farrelly and R. Brock and before Bob's voice gave up, aged to conclude a few events.

previously mentioned, St. George won the relay from the Warringah R.A.; the anchor man for St. George ended by going up over the Tables stacked at the end of the room, out in the window onto the verandah before they could stop him. It was discovered one of the Manly lads had fogged up Col's glasses and he couldn't see where to stop.

A. Konnecke

Stewards: H. Pierce, R. Brock
W. Kelly, W. Kirk, A. Soane

Treasurer: O. Cohen

Social Secretary: F. Walsh

Social Committee: R. Patterson, J. Martin, W. Kelly,
J. Jacobson, J. Farrelly, R. Brock

Solo Nominations: J. Moses.

In place of the races, Novelty Events were held inside and these were well contested by all.

Mr. W. Kelly again provided the transport and despite the shortage of good meat due to the "drought", Bill again was able to obtain our usual top grade steaks. The cooking was in the hands of Mesdames Martin and Walsh, assisted by members, with one joker even digging a drain around the cookhouse, and we can recommend his work - take a bow John Farrelly.

In previous reports I have brought to members' minds the qualities of members who have carried out the same job each year to assist in the running of the Picnic, this year I want to pay tribute to Mr. Bob (Lungs) Brock.

Bob has always been interested in the Social aspect of the Association and together with his good wife, always can be relied on to attend any function that is put on by the Association. Bob is blessed with a very good voice and doesn't often require the services of a Loud Haller, hence the nickname "Lungs".

He was probably at his best at this Picnic but the noise was even too much for Bob with the voice packing up after about two hours.

Our thanks Bob for your help and assistance over the years. hope you have a speech worked out for the Annual Meeting.

FAMILY PICNIC

Due to other commitments I was unable to attend the Family Picnic held at Lane Cove National Park on Sunday, 30th October,
