PATRON'S REPORT

IAN McCALL

One of the Objects in the Mission Statement of the Association is "to act in the best interests of The Association as determined by the members." There is no doubt that this objective has been achieved during the 2010 season of Rugby League, in the recruitment, coaching and development areas as well as the welfare of referees.

Aiming for the highest possible standard both at the administration and refereeing levels can be fraught with many obstacles that test us but in the long run make us stronger. I read an article recently where a young country referee said that becoming a referee has helped him in his understanding of others and of himself. I would add that it also develops tolerance on many, many levels.

Following the issue of Life Member's number medallions in 2009, this year the Association provided each active and non-active member with a framed graded number certificate. The enormity of the research that was required for both tasks must be appreciated by all members and I congratulate the Director of Marketing and Communications, George Jankowski and his assistants, on these achievements.

The innovation in 2009 of combining the Life Members Luncheon and Seniors Appreciation Luncheon continues to be a huge success as witnessed by the large number in attendance this year at the NSW Leagues Club on 2nd October. It is in events such as this one, together with the medallions and the framed certificates, that provides all members with a sense of belonging and fosters camaraderie and support.

This year saw the passing of Kevin Jeffes, a man who had an enormous influence on many past and present referees. The fact that he was a Life Member of Parramatta Referees' Association, NSW Referees' Association and the Australian Referees' Association indicates the work and dedication he gave to the development of so many.

Also this year saw the passing of Les Williams. He was a Life Member of Balmain Referees Association and NSW Referees Association and will be remembered for his many years on the Appointments Committee.

In January, former graded referee, Brett Meredith died in Darwin in tragic circumstances. He will be missed both in the Police and Rugby League circles.

On behalf of my fellow Patrons, Brian Barry, Arthur Konnecke, Barry Cross, Jack O'Sullivan, Kevin Roberts, Michael Stone and Graeme West. I congratulate the Board of Directors and members who have developed a modern and advancing Association whose future is assured.

CHAIRMAN'S REPORT

DENNIS SPAGARINO

Season 2010, has again demonstrated that our game is continuing to evolve with new initiatives and ideas to further improve the spectacle for the loyal fans. The fans have responded in numbers as has shown by the attendance records created throughout the year.

Considerable success has been achieved by our Association's NRL Squad Members, such as and not limited to Messrs Tony Archer and Shayne Hayne officiating 3 State of Origins ably assisted by Messrs Paul Holland and David Abood as Side Line Officials. Also to top off the year both Shayne and Tony controlled the 2010 NRL Grand Final, ably assisted as Side Line Officials by Messrs Paul Holland and Jeff Younis.

Mr. Bill Harrigan continues to create records for this season he has been involved in his 15th First Grade Grand Final; 10 as a central referee and 5 as a video referee.

Mr. Gavin Reynolds controlled the Toyota Cup Grand Final ably assisted by Side Line Officials Richard Daizli and Jason Walsh. Congratulations to all for being rewarded for their hard work. All the active members I have mentioned and the ones I did not mention but are listed further on in this report achieved such success due to their dedication and will to succeed assisted enormously by their coaching staff of Messrs William Harrigan, Steven Clark, and Stuart Raper all led extremely well by Head Coach Mr. Robert Finch.

The NSW Rugby League competitions have again continued to improve in standard and quality of play.

Again our members have distinguished themselves and made this Association proud by the way they have controlled the games. Mr. David Munro was appointed as the central Referee in the NSW Cup, ably assisted by Messrs Nick Beashel and David Ryan as Side Line Officials and Messrs Michael Lavery and Chris Sutton as In Goal Judges.

The Bundaberg Red Cup competition again proved a success for year 2010. The positions for the Grand Final were hotly contested. At the end it saw Mr. Jonathon Stone emerge as the Grand Final central referee ably assisted by Messrs Jimmy Oliveira and Jay Farlow as Side Line Officials and Phil Henderson and Matthew Hawkins as In Goal Judges.

The success of the NSW Rugby League Referees Association graded squad cannot be achieved without the assistance and mentoring of all the coaches namely Mr. Russell Smith and Mr. Pat Reynolds and all Match Day Assessors who give time and guidance to make sure referees are best prepared for every game.

The NSW Rugby League Referees Graded Squad has again this year, more so than in previous years, met the continuing challenge that is thrust to them for positions in the NRL Squad.

Due to the present structure in the NRL these challenges for positions in the elite squad can only increase, however, our members have proved and will continue to prove that they are the best prepared, from the grass roots up, to meet the challenge and this Association's members will continue to be the first picked to be part of the NRL Squad.

The Junior Development Squad represents a major success for our Association. Four members of that squad were graded into the NSWRL Graded Squad proving once again the quality of young referees being produced from grass roots to the Junior Development Squad then onto the Graded Squad

I would like to wholeheartedly congratulate Messrs Peter Filmer, Tony Danks, Brett Lynch, Peter Bungate, Mick Lewis, Paul Kalina and Stephen Clark for the outstanding success the squad has had this year.

A large number of this Junior Development Squad Members will, I am certain, be graded and move into the elite level of the game in a very short time.

On the other side of the coin the Association has seen the retirement thus far and at time of writing from the 2010 NRL Squad of Mr. Bernard Sutton. Bernard can be very proud of his achievement while an active referee. Undoubtedly Bernard would have racked up a hell of more First Grade appointments if not for his injury problems.

FOR OUR ASSOCIATION THIS YEAR AGAIN HAS SEEN CHALLENGES WHICH HAVE BEEN MET AND DEALT WITH IN A MOST SUCCESSFUL MANNER.

Unfortunately this year has seen the passing of some of our most dedicated servants to this Association. Mr. Kevin Jeffes was one of our members who passed away. A more dedicated, hard working and outstanding individual could not be found. Kevin was a very proud servant of this Association and refereeing in general, who had an outstanding record as a spotter of referee talent and coach of referees. Another Life member who tragically passed away this year was Les Williams. Les also was a proud servant of this Association. To Les and Kevin's families I personally and on behalf of the Association would like pass on our deepest sympathies.

Also this year under very tragic circumstances we have seen the passing of Mr. Brett Merideth. Brett was in grade for only a short period but his friendship touched a lot of our active guys and his passing at such a young age was very tragic in deed. To his young family my deepest sympathies.

For our Association this year again has seen challenges which have been met and dealt with in a most successful manner. We are very fortunate to have a Board made up of very dedicated, hard working people none more than your Executive Officer Mr. Frank Leonard. Frank has dedicated himself to make sure this Association moved forward and continued to be the premier Referees Association.

To all my Board members I would like to place on record my sincere thanks for your contribution and hard work throughout season 2010. In particular Mr. Greg McCallum, who in his portfolio has had to deal with a number of issues where it has been particularly difficult for the Association and its members. We are very fortunate to have Greg with his vast experience as a Director of Referee Development. Also Mr. Doug Keen in his first year has really engaged all our affiliates with the workings of our Board and made sure the communication lines between all were enhanced. Also Luke Bugden's contribution cannot go by without being recognized. Luke continues to put the active member's interest to the fore front.

This year will see also the retirement from the Board of Mr. Darren Alchin. As your Finance Director, Darren's contribution has been outstanding keeping the finances of our Association in excellent order. Darren's contribution to the Board has been outstanding and will be sorely missed. I, on behalf of the Board and all members would like to thank Darren and his lovely wife Karen for their contribution to the Association.

Last but not least, Mr. George Jankowski, who continues to do the hard yards without too much fanfare. He took on the task of researching the Association records that go back to 1908 and came up with every graded member's year he was grade and then allocate a number to each one right to our latest graded member being Scott Shepherd number 953 graded in 2010. What a task and how well carried out. Congratulations George.

Also I would like to pass on a special thank you to Mr. Tony Danks, NSW Rugby League Referees Development Manager. He continues to be a very strong supporter of this Association in his present role. We as an Association are very fortunate to have Tony in the role he has with the NSWRL League.

To Mr. Colin Love and Mr. Geoff Carr and his loyal staff at the NSW Rugby League also a special thank you for your assistance and support throughout the year. Our Association

is very fortunate to have a Chairman of the calibre of Colin Love and a General Manager of the calibre of Geoff Carr who really appreciate the worth that our members are to the game of Rugby League and who have been very supportive in all our initiatives this year.

I also must acknowledge and thank Mr. David Gallop and Mr. Graham Annesley for their strong support and assistance given to our Association. Both David and Graham were always available and ready to assist me and the Board with any matter requested of them. Again as referees we are fortunate to have them as leaders of the game.

Most importantly I would like to thank my family for their wholehearted support and encouragement that only a family can give. To my wife Karen, my daughters Joanne and Deborah, my son in law Greg and my wonderful grandson Gerred, I sincerely thank you for your support throughout the year.

There are a number of challenges on the horizon coming up which the Board has to face and resolve in the best interest of refereeing. None more important than the proposed "Independent Commission" which will oversee the whole game from the NRL down to the grass roots of the game. What form this will take is not clear thus far at time of writing, however we as referees need to be vigilant that the best interest of referees is maintained. These challenges will be met head on and the members can be assured that the Board can and will always act in their best interest.

Finally, I would like to thank all members for their support and hope the upcoming festive season will bring to you and your families all the very best that you wish for yourselves and you all return wiser and better prepared for next season.

EXECUTIVE OFFICER'S REPORT

FRANK LEONARD

I submit for your consideration, approval and adoption, the 103rd Annual Report and Financial Statement from the Board of Directors of the NSW Rugby League Referees Association for season 2010.

Anyone who has taken up a new position in any sphere of employment, permanent or casual, will know that in the first twelve months you feel your way seeking often the advice and assistance of those around you. The second year becomes a little easier and you have the opportunity to initiate change and /or strive for improvement in traditional areas. This has been my experience in 2010.

Applications for positions on the Coaching Panel were called for in August of 2009 and, following interviews, Peter Filmer was appointed Head Coach for a period of two years while Peter Bungate, Brett Lynch, Michael Lewis and Paul Kalina formed the Panel, an increase of one coach over previous seasons. A further initiative was the inclusion of Steve Clark in a Coaching Advisory position. At a Season 2010 evaluation meeting held in September of this year it was decided to preserve this Panel but to call for expressions of interest in coaching to expand the size of the panel should the Association resume responsibility for the Graded Squad. Following the completion of the Harold Matthews and S.G.Ball competitions the Panel, this year, visited District Junior League competitions with the view to identify new talent for the Junior Development Squad. There will be some six or seven new faces in 2011. The Frank Walsh Memorial Trophy presented to the referee from the Development Squad who refereed the S.G Ball Grand final went to Ziggy Przeklasa-Adamski from the Parramatta Association.

MANY THANKS TO ALL THE VOLUNTEER OFFICIALS FOR THEIR MANAGEMENT, APPOINTMENT AND COACHING OF THE REFEREES AGAINST WHOM NOT ONE COMPLAINT WAS LODGED

The NSW Rugby League All Schools Carnival held in the Penrith District saw four referees from New Zealand and eight from the Emerging States (Victoria, Western Australia and Northern Territory) included in the recruitment of some ninety referees undertaken by the Committee consisting of Tony Danks, Doug Keen, Jack O'Sullivan, Cathy Crowe and myself. This proved to be an outstanding initiative and , with the support of Graham McNaney from the ARL Development , will be repeated in 2011.

These referees complimented those recruited from the Junior Development Squad and Country Rugby League Referees' Association who were appointed to games over the three days. Many thanks to all the volunteer Officials for their management, appointment and coaching of the referees against whom not one complaint was lodged.

After evaluating the inaugural Seniors/Life Members luncheon held in 2009 the Board set out to equal, or better the format for 2010. It was decided to introduce a Laurie Bruyeres Recitation with the first Presenter being Terry Williams who utilised his exceptional journalistic skills to give an outstanding insight into difficulties and anecdotes relating to the referees involved in the NSWRLRA in its formative years to the sixty members present.

Graded Certificates that included the member' name, Year of Grading and Graded Number were presented to all present and this was very well received. A third initiative was to invite the members of the Leadership Teams from the NRL Squad, the Graded squad and the Junior Development squad to the function. Those that chose to attend reported having a most enjoyable day.

OTHER INITIATIVES AND CHANGES EFFECTED DURING SEASON 2010 BY THE ASSOCIATION:

- The submission of the document "NSWRL Referee Structure 2010 and Beyond" to the Board of the NSWRL with a view to regaining responsibility for the grading, management, coaching and development of the Premier League (Graded) Squad in Season 2011.
- The creation of another class of membership entitled Junior Members that includes all members of the Junior Representative Squad and Inter-State referees officiating consistently in competitions under the control of the NSWRL. The Leadership Team of three referees from the Junior Members have voting rights at General Meetings.
- Opportunity for all three Leadership Teams from the NRL Squad, Graded Squad and Junior Representative Squad to submit issues for consideration at all Board meetings.

- Expansion of the role of the Referee Support Group overseen by the Director of Member Services .
- Working with the Board of the Australian Rugby League Referees' Association to develop a Position Paper on the preferred position of referees under an Independent Commission that includes reference to overall responsibility for referees across Australia, their recruitment, development, coaching, advocacy, welfare and education.

CONGRATULATIONS

To the NRL and their administration of the Telstra Premiership competition in a difficult year and to the ARL and the NSWRL on their efforts in conducting their various competitions. To the St George Illawarra Dragons on winning the Telstra 1st Grade NRL Grand Final. NZ Warriors on winning the Toyota Cup Grand Final. Canterbury-Bankstown on winning the NSW Cup Grand Final. Wentworthville Magpies on winning the Bundaberg Red Cup, Sydney Shield and A Grade Challenge Cup Grand Finals. The Hills Sports High School on winning the ARL 2010 Schoolboys Championship.

To all members of the NSWRLRA appointed to Representative Fixtures and Grand Finals. A full summary of the major honours are found in this report on Pages 42 to 44 inclusive.

HONOURS

Life Membership honours were bestowed on Steven Clapson for his outstanding service to the Association. Steve received his Life Membership blazer at the Presentation Dinner from Chairman, Dennis Spagarino.

The Eric Cox Medal was awarded to Max Dunn. This award is presented to a member of over 20 years standing who continues to provide outstanding service to the Association and Affiliates.

The George and Amy Hansen Memorial Trophy for 2010 was awarded to George Jankowski for his contribution to the Association during 2010.

The Michael Ryan Medal was awarded to Ziggy Przeklasa-Adamski of the Parramatta Association. This award is presented to a Junior Representative Squad member as determined through a ballot by his peers as the referees' referee.

The Les Matthews Rookie of the Year Award went to Anthony Grady of the Illawarra Association.

NOMINATIONS FOR LIFE MEMBERSHIP, 2010

The following nominations were received for Life membership for 2010 and the Board of Directors recommendation(s) will be announced at the Annual General Meeting where a copy of the successful nominee(s) record will be distributed:

Messrs: Brett Lynch, Steven Clark, Doug Keen, Greg McCallum, George Jankowski and David Jay.

THANKS TO:

David Gallop, Graham Annesley, Robert Finch, Steven Clark, Bill Harrigan and all the staff from the NRL for their continued guidance and support.

Colin Love, Geoff Carr, John Coates, Michael McGowan, Dave Norman, Joanne Farr, and all the staff of the NSW Rugby League. Martin Meredith, Anna Byrne, Tas Baiteri, Steve Hewson, Wayne Portlock, Lauren Coltman and all the staff from the NSW Rugby League Academy.

David Jay, Barrie Keenahan and Max Dunn on their excellent work in organising, conducting and presenting the CMO Level 1 and CMO Level 2 Courses.

Chris Bowden and the Board of Directors of the N.S.W Leagues Club.

Chairman Dennis Spagarino, especially, and the Board of Directors and Sub-Committees of the NSW Rugby League Referees' Association for the advice, support and encouragement given to me throughout another busy year.

Life Member John McCormack who recruits and appoints the Trainers for the NRL, the Premier League Squad and for the District Associations on their grand final days.

Steve Brown, Independent Director on the Board of the ARLRA on the completion of the Data Base on referees at all levels, a huge task, that enables ready access to information on individual and groups of referees to satisfy any enquiry.

Finally I thank my wife, Marie, for her patience and forbearance as I spent countless hours in front of the computer and much time away from home attending meetings , games, carnivals and social functions.

I wish all who read this Report a very enjoyable and relaxing Festive Season and the very best for 2011.

DIRECTOR OF FINANCE REPORT

DARREN ALCHIN

Members,

It's with great pleasure that I present for your adoption the audited Profit and Loss Statement & Balance Sheet for the year ended 30 September 2010.

The Association once again received funding for all its programs and operations through the assistance provided by the NRL Partnership Board. The grant for 2010 totalled \$330,000 which was a 3% increase on the 2009 amounts. As in previous seasons, through operating a fiscal policy linked to concentrating maximum spending on development of referees in NSW and beyond, I was able to apply an increase to the payments made to the coaching staff of the Association which was well needed and long overdue.

At the beginning of the season the finances of the Association were put to the test in respect of spending for the purchases for on and off field clothing via a contra agreement made between the NRL and Kombat. This was much the same as the agreement made quite a few years ago.

In the past few years due to the effects of the global financial crisis and the lean times for the game, I had reduced the expenditure on gear purchases to give us more funds for development. So as the contra agreement could go ahead for the betterment of the all referees, extra funds were needed for the purchase of gear than what was budgeted for. As a result a number of spending cuts were made by me on areas that I considered not integral to the coaching and development of referees. I make no apologies for cuts in funding for various social activities as they needed to be made for us to finish in the black.

THE ASSOCIATION HAS ONCE AGAIN FUNDED REFEREE EXCHANGE PROGRAMS FOR THE JUNIOR DEVELOPMENT SQUAD AND ALSO THE STATE CUP SQUAD AND ALSO SUPPORTED THE INTERSTATE DEVELOPMENT CARNIVALS.

As you will see in the Profit and Loss Statement the Association has still made an operating profit of just over \$2000. This is a great result considering the extra amounts that were needed to be spent on the purchase of clothing. As at the close of the books there were also invoices in the amount of approximately \$8000 still outstanding that were to be included in the 2009/2010 financial year which have now been paid.

Our 2011 budget has just been submitted to the Australian Rugby League for approval. Based on initial discussions with the ARL it is anticipated that we may receive an increase of around 3% in line with the CPI, but this is not guaranteed. The pending changes in the management of the game at the top level with the introduction of the Independent Commission may or may not have an effect on our future funding, this remains to be seen.

The Association has once again funded referee exchange programs for the Junior Development Squad and also the State Cup Squad and also supported the Interstate Development Carnivals. The Association this season has continued to maintain the funding levels of the Coaching & Development grants paid to the Associations with eight Associations receiving \$3500 and the remainder \$2500 or \$1500 for dual affiliates.

This season has seen the Fees Committee comprising of the Leadership Group of the State Cup squad, and myself, represent the interests of our active members with the NSWRL. A fee proposal for the squads was submitted to the NSWRL earlier this season. Unfortunately due to the uncertainty of the Association's proposal to the NSWRL on the future management of referees in NSW, the proposal was not able to be looked at by the NSWRL until February of this year. Funding changes brought into play by the ARL meant decisions on our budget were not made available until March; as a result there was no scope for any increases this year for the remuneration of referees.

The Workplace Relations Committee headed up by Matt Hawkins, in response to this, immediately began working on a document for fee increases for the 2011 season commencing in November when referees begin training again. As a result of this the Association on behalf of its members drafted an Enterprise Bargaining Agreement for submission to the NSWRL for approval. This EBA was a first for the Association and its endeavour was to more formally recognise the rights and remuneration of referees covered under the agreement. At the time of writing negotiations are well advanced with the NSWRL and although the lodgement of an EBA may not be able to be facilitated, a more formal Memorandum of Understanding will

be entered into with the League with increased policies and processes put into place to govern its operation for both the NSWRL and the Association membership. I must sincerely thank Matt Hawkins and the Workplace Relations Committee for their hard work in getting the document to its present stage.

The relationship between the Association and the NSWRL Administration has continued to improve. Earlier in the season changes were made to the payroll arrangements for referees in the Toyota Cup Squad and also the State Cup Squad by the NRL. These changes were not made known to me until after the commencement of the season. As a result, who paid who for what had changed and a number of payments to referees in both competitions were held up due to administrative issues.

Once the issues were resolved, in the most part, the payroll process has been effective. My thanks to Cathy Crowe of the NSWRL and Jimmy Oliveira for the assistance provided in getting forms signed by referees so that the payrolls could be finalised. Policies and processes have been added to the EBA regarding this so that the same scenario does not occur again.

The Trainers squad was substantially unchanged from the 2010 season. On behalf of John McCormack and myself, the Association's thanks and gratitude goes to all the Trainers who demonstrated a professional attitude to their work both on and off the field and at the training venues.

I wish to formally thank the following people for their support throughout 2010:-

Board of the NSWRLRA
COO (NRL)- Graham Annesley
Finance Controller NRL - Edwin Farish
Trainers - John McCormack
Mr David Nissen - Former Chief Financial Controller NSWRL
Mr Greg Pollard - New Chief Financial Controller NSWRL
Michael McGowan - NSWRL Accountant
Cathy Crowe - NSWRL Referees Development Office
State Cup Squad Leadership Group
State Cup Squad Workplace Relations Committee
Junior Development Squad Leadership Group

I must give great thanks to my family, which consists of my lovely wife Karen, and my three children Courtney, Alicia and Jarrod. Without my family's support over the past 12 months, I would have not been able to continue to do justice to the role that is required.

As was the case last year my work commitments outside of the NSWRL Referees Association have increased to the point now that as a result, I have informed the Board a number of months ago that I will not be seeking election to the role for season 2011. It has been increasingly difficult for me to

devote the time needed for the role this year and at sometimes I have not been happy with my performance in the role due to competing priorities. My beliefs are that if you cannot put 110 % into anything that you do then you are not working hard enough.

I will not be lost to the Association as a result of stepping down from the role of Director of Finance. I have already commenced discussions with the Board on possible areas that I can be of assistance of in the future that may not be so time dependent as this role. After hearing the achievements of Max Dunn, the recipient of the 2010 Eric Cox medal, there is much to be done in roles that are not necessarily Board positions, but that are as integral to the development of referees.

I wish all members a happy festive season, and look forward to supporting the Association next season.

DIRECTOR OF REFEREES DEVELOPMENT REPORT

GREG McCALLUM

The Loser – makes promises they often break
The Winner – makes commitments they always keep

Members,

I have great pleasure in submitting my report for season 2010 as Director of Referees Development. This season has been one of great achievement at many levels by the dedicated officials both on and off the field. Whilst the uncertainty of the future structure of the game in general remains the performance of our Association in so many areas draws praise from a wide area. None more than the efforts of the Junior Representative Squad in 2010.

The timing of the Junior Representative season is a real challenge for all concerned. Training needs to commence at the height of summer often after only a few weeks 'off season'. The coaching staff, the returning referees and invitees understand the need for physical training schedules that provide the physical base for the season ahead. I would take this opportunity to congratulate all parties for their sacrifice to this end.

The NSWRLRA has again proven itself in the process required to identify, develop and 'skill up' referees at this crucial level. Along with our member Associations the process of identifying potential referees is running smoothly. Referees in all local and district semi final series were observed and feedback offered.

At this level a vote of thanks to our Head Coach, Peter Filmer who with his assistant coaches – Peter Bungate, Brett Lynch, Paul Kalina and Michael Lewis produced another talented group who represented their Association and themselves with great distinction. The standard of officiating throughout the Junior Representative season and beyond was first class. I take this opportunity in thanking Brett Lynch who is standing down from the panel for very understandable family reasons. Brett you will be missed on so many levels and capacities by this panel. Your ability to relate to young referees and present such clear coaching aids will leave a hole. You will be welcomed back with open arms when circumstances allow.

The appointment of Steven Clark as the Technical and Performance Director of the squad was a significant one. His commitment to refereeing combined with his great experience and genuine passion for developing referees was a real winner for the Association. Thanks Steve for your efforts and friendship.

Very few issues were raised by clubs and I know Martin Meredith of the NSW Academy who oversee the competitions

THE NSWRLRA HAS AGAIN PROVEN ITSELF IN THE PROCESS REQUIRED TO IDENTIFY, DEVELOP AND 'SKILL UP' REFEREES AT THIS CRUCIAL LEVEL.

was delighted. Honours in 2010 were achieved by:

S.G Ball Final – Lawrence McDonnell (Referee)

Harold Matthews Cup – Ziggy Przelaksa-Adamski (Referee)

Congratulations to all referees who controlled the playoffs. I trust that the experience has given you the taste to chase higher honours in your careers. Generally it would have been your first real taste of 'competitive refereeing'. Hope that you learnt positively from it.

As a result of their constantly high performances the following referees have achieved the great accolade of being 'Graded'. Congratulations and welcome to grade – Lawrence McDonnell, Ziggy Przelaksa-Adamski, Nathan Smith and Scott Shepherd.

A further initiative between the NSWRL and the NSWRLRA gave opportunity for Members of the Junior Representative Squad to officiate in matches such as the Sydney Shield and the televised Schoolboy Shield. This came about due to the high quality of performances during the Junior Representative season. Congratulations to Kasey Campbell who was appointed to the first televised schoolboy game of the season and the Grand Final of the NSWRL Sydney Shield. An outstanding season for Kasey who continues to be, along with Joanne Spagarino and Amie Gibson, a great role model for female referees.

To the Members of the '2nd Tier' squad congratulations on your efforts this year in controlling the NSWRL Competitions. Your input into the first ever negotiated EBA with our Finance Director Darren Alchin was most impressive and appreciated. It will define terms and conditions for the officials that follow in the future. It was heartening to see so many of you attend the Association's meetings throughout the year. Your support is greatly appreciated.

Refereeing recruitment, retention and skill development & acquisition remains the prime operation of the Association. All

local Associations should be congratulated on the professional way they have grasped the need for strong programs in each of the areas and worked hard with their District Clubs to enable young people to participate in the great game of Rugby League. Well done to our Associations – you are playing your part in the future of the game. We appreciate the drain the representative season has on your Members. The change in policy not to recall the squad in July this season I hope in some ways alleviated that pressure.

My thanks to our Executive Officer Frank Leonard for his liaison work with the NSWRL Referees' Manager, Tony Danks in keeping the operation flowing. Communication has never been more effective. To Cathy Crowe and the staff at the NSWRL Referees Unit at Homebush my thanks for your excellent communication and availability of modern facilities which has enabled professional post match reviews, video analysis and meetings to take place on a weekly basis.

Each match and post match, our dedicated band of assessors gives great support to our active officials. I must thank: Brian Bonnie, Steve Clapson, Frank Leonard, Doug Keen, Bryan Gilchrist, Max Dunn, Barry Ruttle, Wayne Loveday, Luke Bugden, Peter Digby, Dennis Spagarino, Glyn Henderson, Tom Healy, Alan Farlow, Graham Duffy, Phil Dorahy, George Jankowski, Stan Watson, Paul McBlane & Daryn Smith. My thanks to NSW Sport & Recreation for their continued support of facilities.

To NSWRL General Manager Geoff Carr along with President Colin Love, Martin Meredith, Dave Norman, John Coates, Joanne Farr and the staff, thank you for your continued support of our referee recruitment and development programs. A special thanks to a good friend of the Association, Dave Nissen who has moved on to the Wests Tigers NRL administration. Dave you are always welcome to 'hang around' with referees.

A word of thanks to our NRAS facilitator Barry Ruttle. His efforts in ensuring protocols and training are much appreciated by all.

I have been part of a much improved communication channel with the operations of the NRL Referee Group. To Robert Finch and his staff, congratulations on a good season – the standard of play continues to rise dramatically each year with its speed and intensity. Referees must be playing their part – but credit is almost non-existent. Communication certainly improved throughout the year and I thank Steve Clark, Paul Kalina along with Russell Smith and Pat Reynolds for that improvement.

A special thank you to my wife Carolyn for her continued support of my involvement in the NSWRL Referees Association.

I again pay tribute to my colleagues on the Board of the NSWRLRA. The Chairman Dennis Spagarino and Executive Officer Frank Leonard continue to work tirelessly for the Members and I have enjoyed the efforts and commitment of my fellow Board Members Luke Bugden, George Jankowski, Darren Alchin and new director Doug Keen. Board meetings are always well attended as is the business at hand.

Already training is underway for the 2011 Competitions. I look forward with great enthusiasm to a successful season for our referees at all levels.

In conclusion as a Vice-President of the NSWRL, I look forward to continued and greater relationships between all parties as we move forward into what should be an exciting period for the game both on and off the field.

DIRECTOR OF MEMBER SERVICES REPORT

LUKE BUGDEN

Mr Chairman and members,

Again it gives me pleasure to present to you the Director of Member Services Report.

The social side of the year began quite early with an after training brunch for the Development Squad after their training trek through the Blue Mountains in December. Despite the usual arrival of flies whenever a picnic is spread out it seemed to be appreciated by the squad and it was good that no one had to be rescued out of Glenbrook Gorge.

The Grand Finals of the Junior Representative competition was next on the agenda and the function room at St Mary' Stadium provided a good and private venue to celebrate the Grand Final for the officials and the end of a long season for the squad. St Mary's Leagues Club also provided the venue for a BBQ following day two of the All Schools Carnival. Approximately 50 people were in attendance with most from the emerging States and New Zealand.

The NSW Cup Squad had their end of season training BBQ with a retro night. The squad conveyed an open invitation to all members to attend and join in with the BBQ and get back in touch with the graded squad. Hopefully next time a few more of the non active members may be in a position to attend to catch up with members old and new.

The Life Members/ Seniors Function was once again held on the day before NRL Grand Final Day and as Greg McCallum said on the day has now become a tradition. It would appear that the daytime luncheon has proved popular with the Life Members and mature Honorary Members. About 65 members were in attendance and it appeared all enjoyed the chance to reminisce with old acquaintances. This year the Board decided to instigate a talk which was entitled the Laurie Bruyeres Recitation. Terry Williams was the initial speaker and spoke of the history of Rugby League in particular with relevance to the contribution made by referees past and present. Terry gave a great presentation that was well received by all those present

The 2010 Presentation Evening was again held at the Epping Club in October. A good attendance of about 110 guests were there and pleasing to see a cross-section of active members from all squads and Life Members turn up for the evening. Also guests and partners from the New South Wales Rugby League were welcomed on the evening.

Honours were presented to those members who have provided a significant contribution to the Association during the year in various fields

Congratulations to the following award winners:

Eric Cox Medallion

Max Dunn

George and Amy Hansen Trophy

George Jankowski

Dennis Braybrook Trophy

David Field (South Sydney)

Also congratulations to Steven Clapson on being presented with Life Membership of the Association.

Kombat came back as the gear supplier to the Association due to a sponsorship deal with the NRL Squad. Organising gear for members is perhaps the most difficult and frustrating part of the position being at the mercy of overseas manufacturers and factory closures over Christmas and Chinese New Year. Also the sorting of sizes for each squad and member is quite time consuming. In this respect I would like to thank Cathy Crowe, Tony Danks, Doug Keen and Kasey Campbell at the Referees office for sorting out the gear for the Development and NSW Cup squads. Also thanks to Jimmy Oliveira and Peter Sciberas who assisted in getting gear to the NSW Cup Squad and relaying some of the concerns of the squad in relation to gear.

Part of this Directorship provides for a Referee Peer Support Group to make available guidance or support for members that may be having difficulty with refereeing commitments and appointments. Following dialogue with the Leadership Groups it is apparent this could be extended to provide general welfare to all members that may be experiencing difficult times. The Men of League Foundation provide wonderful support to their members in times of need. It may be pertinent that we provide a service to those members that may experience similar hardships such as ill health, bereavements, recovering from surgery and the like. If this is to be a success it will require the assistance of a dedicated group of both active and non active members to ensure that it offers the appropriate support that the Association can provide.

Thanks to my fellow Board Members for their support during the season. Also to the Social Committee members of Doug Keen, Alan Farlow, Jay Farlow and Jason Higgins.

Finally, to my dear wife Iris for her support, patience and understanding during the year.

I have once again enjoyed the duties and responsibilities being your Director of Member Services and look forward to providing my assistance during the coming year.

VALE

2010

During 2010 the Association lost another two outstanding Life Members both of whom had contributed enormously to the coaching and development of referees and a former NRL referee who had moved to the Northern Territory.

LES WILLIAMS

Les Williams, a Life Member of the NSWRLRA and the Balmain RLRA passed away on the 29th May, 2010. Following retirement from active refereeing Les became the Convenor of referees for the NSW Police Football competition and was responsible for the recruitment, coaching and appointment of referees to that competition. Les has been described as thorough gentleman by all who knew him.

KEVIN JEFFES

Kevin Jeffes joined the Parramatta Association in the mid 1950's and was graded in 1961 the same year he received Life Membership of Parramatta Association. Kevin's graded career lasted until 1973 over which time he reached Reserve Grade as a referee and officiated in First Grade and Test Matches as a Touch Judge. Kevin's contribution to the NSWRLRA was as a Patron, Committee Member and Inter-District Junior Representative Referees and Graded Squad Coach. His contribution to the Parramatta and NSWRL Referees Associations over some forty years was recognised by the ARLRA in 2003 when he was made a Life Member of the ARL Referees Association.

BRETT MEREDITH

Brett Meredith was savagely bashed in a Katherine Nightclub on New Year's Eve, 2009 while off duty in his capacity as a Northern Territory Police Sergeant, and subsequently died in hospital. Brett made his NRL debut in Round 5 of season 2001 and retired in 2002 due to work commitments. Brett was aged 39 and left behind a loving wife, Aimee and three young children.

DIRECTOR OF AFFILIATE LIAISON REPORT

DOUG KEEN

I am very pleased to present my report as Director of Affiliate Liaison for season 2010. It is great to be back on the Board again after a few years absence in the same role I previously occupied.

There is still so much enjoyment from my recollection of receiving that phone call to inform me of being graded within the ranks of the NSWRLRA. What a thrill and achievement it was, and still is, with those before me and after having that feeling of making it. Although all don't make it to the NRL for various reasons, to make Grade is a fantastic feeling and relief for some. This year, Scott Shepherd, Ziggy Przeklasa-Adamski, Nathan Smith and Lawrence McDonnell join that illustrious list of referees, good luck to you all in the future.

Thanks to my committee of Jack O'Sullivan who is still going strong at a young age and George Jankowski (Is there an association he is not a member of?), Tony Danks, as well as all the Directors who visited our 15 affiliates this year to spread the word, liaise and get feedback from our Associations. Each Association was visited at least twice at meetings and some 3 or 4 times. We assisted a number of Associations with various inquiries and were the first contact with them. Thanks also to Frank Leonard, Cathy Crowe and Tony Danks with the workings and organization of the Conference we held at the start of the year with all Presidents, Secretaries, Treasurers and Coaching Coordinators

Some of the matters we worked together on were the NRL Ref for A Day Program, Problems with Facebook and referees, Awards such as Les Matthews and Dennis Braybrook, Recruit a Ref program to name a few. Special mention to all the hardworking Secretaries who do most of the work at Associations and respond to e-mails when requested. These guys do plenty and yes it is voluntary so well done, as well to all members of the various Boards who work unselfishly for their local regions.

We also liaised with the Districts on the All Schools' Carnival which went off really well and thanks to Tony Danks, Frank Leonard and Jack O'Sullivan for their efforts with special mention of Cathy Crowe who did a mountain of work on this project as well. For the first time we had referees from the Affiliated States thanks to monies from ARL Development and those interstate referees really enjoyed the experience. We also had very good referees from New Zealand, probably the best group I have seen come over the ditch at this level and I congratulate John McKeown on the hard work he is doing in the Land of the Long White Cloud. The New Zealand boys were appointed to a few Finals at the end of each of the three days.

EACH ASSOCIATION WAS VISITED AT LEAST TWICE AT MEETINGS AND SOME 3 OR 4 TIMES.

The Junior Representative Squad Presentation Evening was also a highlight of the year. It is great to mix with a group of younger referees who have a very good work ethic, commitment and overall, are fantastic young individuals.

One thing we did not push this year as much was exchanges between our selves and other states, but in saying that many times during the year referees crossed borders to assist each other. Two that spring to mind were Illawarra/Cronulla and Norths/Manly. If you can get these going, it is great for the referees to get a different climate in which to referee in and really does assist with Retention.

I must mention the support of the NSWRL Academy and NSWRL during the year, as well as Steve Clark from the NRL who assisted us whenever needed and the NRL Squad who all assisted as well in various ways with the Adopt an Association Program, Tony Danks for the support in the role as well as in our fulltime roles within the development of Referees at the NSWRL.

So thanks to everyone I had contact with during the year and it's great to be a referee and have so many people to call as colleagues and friends working together for a great cause. I would also like to finally acknowledge the support of the Board of the NSWRLRA during the year and thank them all.

Members

This year began like several years before, on a sad note, with the passing of Brett Meredith who received a full state funeral with full police honours in the Northern Territory.

This was followed by the passing of Kevin Jeffes and Les Williams who were both Life Members of the NSWRLRA.

Major stories on the web page included Rick Lewis getting ordained as a priest, Greg McCallum becoming a marriage celebrant plus all of the debutants into NRL as well as those who reached major milestones including Grand Final and Representative honors. The web page was updated weekly with all Members' appointments which included NRL, NSW Cup, Toyota Cup, Bundy Red Cup, ARL School Boy Cup, the S.G.Ball and Harold Matthews games and the NSW Sydney Shield. Thanks to Jo Far, Jeff Younis, Paul Holland, Daniel Eastwood, Jason Robinson and Russell Turner for their input. A special thanks to Brenden Wood, Peter Digby, Dennis Spagarino, Frank Leonard and Greg McCallum for taking photos on those special days. Finally, congratulations to two of our members who will become Life Members of their local Association, that being Frank Leonard and Tony De Las Heras in the Illawarra District.

The Historical Committee took its next steps by archiving all of our records for the last 103 years at Sports House Homebush; these are also being stored on CD. The numbers project commenced late last year, when the Management Group of the NSW Cup Referees started the project to allocate every NSWRLRA Graded Active Member a number. The project took many months to finalise. It began by going through all Annual Reports and minute books from 1908. From this it was established that our newest graded member number is 953, that being Scott Shepherd and our oldest living member, Robert Culkin, number 382, graded in 1944. Thanks go to Jimmy Olivera, Jon Stone, Robert Bowen and Dave Ryan for their assistance in starting this project.

The changing of meetings to Mondays at Homebush proved more popular this year, making it easier for all members to attend straight after their debriefs, thus allowing them to contribute which has proved a success with numbers doubling from the previous year. This year we had several special visitors at our meetings. At the first meeting was Robert Culkin and at the second meeting was the CEO of Men of League Foundation, Martin Cook. The Men of League magazine also ran a story on the 14,000th member, who was Robert Culkin (now 94 years young), the story included the youngest Referee to make the NRL, this was Adam Gee. At the Men of League

Gala Dinner in September at Star City, a tribute was paid to all NSWRLRA members that passed away this year.

The NRL Pink on field referees jerseys proved popular with fellow referees, with a thousand dollars raised going to Brave Hearts and the Pink Ribbon Breast Cancer Foundation. Thanks to Steve Clark for his assistance.

This year we have launched the TNT replica jersey, made by the Classic. They are available in either white or gold and have the TNT logo hand stitched onto the front and rear as well as the blue stripes on the shoulders. Special thanks to Greg McCallum for organising these replicas.

In years gone by the records of graded members reflected some results of the fittest and fastest official in each grade, I have reinstated this tradition, with the following results identifying the fittest officials in Rugby League as measured by the highest result in the beep test:

In the NRL Squad first was Ben Cummins with level 14.13, second was Tony De Las Heras with 14.6 and third was Gavin Badger with 14.5. In the NSW Cup Squad first was Chris Sutton with 14.4, second was Robert Bowen with 14.3 and third was Dan Olford with 14.2. Finally in the Junior Reps Squad we had Daniel Olford first with 13.8, second was Mitchell Stone with 13.3 and third was Ziggy Przeklasa-Adamski with 13.2

The fastest in the NRL Squad was Luke Phillips, then Steve Carrall followed by Ricky McFarlane who tied with Jared Maxwell. The fastest in the NSW Cup Squad was Dan Olford with Nick Beashal second and Lawrence McDonnell coming in third. Finally the fastest in the Junior Reps Squad was Matthew Treneman, second to Christopher Treneman and third was Laurie Lawira who tied with Anthony Grady.

A special thanks to Kinton Hoare, Peter Bourke and Cathy Crowe for gathering this information.

I would like to thank all members for their support of myself in the role of Marketing and Communications Director. My final thank you is to my partner Selina and my daughter Kristie, who have both had to put up with me being away from home so much. I would also like to wish everyone a Merry Christmas and a Happy New Year.

NSW STATE CUP SQUAD COACH'S REPORT

RUSSELL SMITH

Despite there being major uncertainty surrounding the management of the squad for 2010, to the credit of all the boys, the pre-season training was an outstanding success with our conditioner Peter Burke excelling to new heights.

We had an excellent start to our training with a gruelling team bonding day at the Corrective Services Tactical Training Unit, Windsor, which was superbly facilitated by their staff fitness instructors. The boys had a huge dig throughout the day and I'm sure gained greatly from the experience. Special thanks to Matt Damaso and the centre staff for organising the day and for giving up their time.

Prior to the kick off of season 2010 I graded Dan Olford, Matt Noyen and Adam Cassidy as new Referees and following their S.G. Ball Grand Final appointments I added Lawrence McDonnell as a Referee and Nathan Smith as a S.O. Later in the year, Scott Shepherd was also graded as a S.O. following good performances in Bundy Cup.

I would like to commend all of these guys on their contribution to the squad last year. All are showing outstanding potential and are making great strides so far.

Having Steve Clark involved with the Junior Rep. squad made keeping in tune with their group much easier as, by being in the same office, we were able to communicate on a daily basis. Through Steve's implementation of similar skills training and coaching methods, the transition for officials between the squads has become smoother and much improved. I would like to thank Steve, Peter Filmer, Junior Rep coach's for their co-operation and assistance this last year.

I was delighted with the performances of all the squad throughout season 2010. Consistently high standards were achieved with all the Referees and S.O.'s despite the S.O.'s being overworked at times. For numerous reasons the numbers of specialist S.O.'s was not ideal last term and this will need adjustment moving forward.

The following officials received the major appointments:

We once again had a night never to be forgotten [mainly thanks to Burkey on the microphone!!] for the Mick Stone Medal awards. Chris Bettiol compiled an excellent montage of the squad from the year and presented the night exceptionally well. The award winners were :

Mick Stone Medal

[the squad members own choice of 'official of the year'], Jon Stone

Clubman of the Year

Jason Walsh

Trainer's award

Matt Noyen

Many congratulations to all of the above.

Chris Sutton represented the squad on a trip to the USA. I'm told he found it a tiny contrast to Coonabarabran and did a damn good Mick Dundee impersonation!!

The evaluators once again did an invaluable job developing the boys. My thanks go to Phil Cooley, Troy Finch, Sean Hampstead, Glyn Henderson, David Jay, Paul Kalina, Tony Kelly, Rod Lawrence, Mick Lewis, Paul McBlane, Pat Reynolds, Paul Simpkins, Bernard Sutton and Chris Ward for their sterling work in '10.

The leadership group had a huge impact on the smooth running of the squad and did themselves proud leading by example all year. On behalf of all the management I would like to express our appreciation to Jimmy Oliveira, Jon Stone, Dave Ryan and Jason Walsh. You were rock solid as a team and did great service to the squad.

Once again the boys adopted a chosen charity for the year, namely FSHD Muscular Dystrophy. Another remarkable effort saw them donate and raise in excess of \$15,000 for this great cause. Great work guys.

The administration headache was once again made very easy thanks to the great work and assistance given by Jo Farr at Phillips Street. Thank you Jo.

Finally, I wish to acknowledge the immense efforts of my management team throughout a long and arduous year. Co-coach Pat Reynolds continues to put in a remarkable effort. His blend of experience and humour is priceless to the boys and he's a great partner to work with. Our conditioner, Peter Burke, was a colossus in '10. He goes well beyond the call of duty and does a mountain of extras unknown to most. The respect he has from the boys could not be higher. You both should be very proud of your contributions.

THE LEADERSHIP GROUP HAD A HUGE IMPACT ON THE SMOOTH RUNNING OF THE SQUAD AND DID THEMSELVES PROUD LEADING BY EXAMPLE ALL YEAR.

I WAS DELIGHTED WITH THE PERFORMANCES OF ALL THE SQUAD THROUGHOUT SEASON 2010 CONSISTENTLY HIGH STANDARDS WERE ACHIEVED WITH ALL THE REFEREES AND S.O.'S DESPITE THE S.O.'S BEING OVERWORKED AT TIMES.

NRL REFEREE SQUAD COACH'S REPORT

ROBERT FINCH

At no other time in the games history has there been more pressure placed on the performances of officials by technology, the media and coaches, with performance perfection expected.

Season 2010 brings to mind a quote from Martin Luther King, who said:

"The ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy."

2010 certainly provided the squad with challenges and controversy a season that had the potential to fragment the group whose performance were placed under enormous pressure for most of the season.

Working in an environment where performances were measured and scrutinised weekly in a very public manner, their decisions dissected daily by media and coaches generally in a negative manner require a very special person.

Indeed the NRL squad of 2010 certainly stood up to the pressure, remained resolute as a group and continued to prepare for each week in a very professional manner, each and every member is to be congratulated for the way they conducted themselves over a very demanding and long but successful season.

So successful that the following milestones are just a few of the positives the game achieved in season 2010:

- The highest attendances in the games history. Over 3,151,000 attended NRL games.
- State of Origin was the most viewed ever across 5 cities
- Increased sponsorship of \$3 million dollar plus revenue
- Rugby League was the top performing sport year-on-year on free to air television in 2010.
- 39 of the top 50 Foxtel programs are NRL matches including 4 of the top 5.
- Research has shown increased levels of satisfaction with the game
- Research has shown increased acceptance of the 2 referee model by fans.

Increased attendances, increased ratings, increased revenue, increased media interest, increased game satisfaction clearly provides the evidence of the positive contribution of the NRL officials to the game in 2010. This is something that each member of the squad needs to be extremely proud of.

Other milestones achieved by individuals in the squad over the season, far too many to mention them all but those that stood out were:

- 100 NRL 1st grade games:
- Steve Lyons
- Jared Maxwell

- Gavin Badger
- Ben Cummins
- 300 NRL games - Steve Chiddy
- 350 Video Referee games – Chris Ward
- 200 NRL games – P Holland
- 150 NRL games – J Younis

Well done boys you are certainly setting a great example to those who will follow you. To those not mentioned I congratulate you all.

Those that made their NRL debut in 2010 were:

- Luke Phillips
- Gavin Reynolds
- Gavin Morris
- Ricky McFarlane
- Luke Potter
- Dave Munro
- Adam Gee
- Henry Peranara
- Michael Wise
- Clayton Sharpe
- Gavin West

Well done to all rookies your performances were a credit to you and your future looks extremely bright.

"THE ULTIMATE MEASURE OF A MAN IS NOT WHERE HE STANDS IN MOMENTS OF COMFORT AND CONVENIENCE, BUT WHERE HE STANDS AT TIMES OF CHALLENGE AND CONTROVERSY."

I must also mention Bill Harrigan, Stuart Raper, Steve Clark, Russell Smith, Klint Hoare, Don Stuart, Bill Nelson, Matt Green and Dr Ron Muratore for their contribution to the squad over the season. The professional manner in which they carried out their roles is to be commended and I thank you.

The success of the season can also be contributed to the manner in which the Leadership group carried out their roles. I thank them for their contribution and leadership of the squad.

Congratulations to those who were acknowledged for their performances throughout the season at the Col Pearce Medal night.

- Tony Archer - Col Pearce medal winner.
- Steve Chiddy - 300 club member
- Paul Holland – Sideline Official of the year.
- Ricky McFarlane – Rookie of the year
- Chris Ward – Achievement Award
- Russell Smith – Clubman of the year.
- Gerard Sutton – Q Award

I also acknowledge those who achieved recognition with appointments in representative and final series matches, congratulations to all involved.

I would also like to make a special mention of Russell Smith and Bernard Sutton. Russell Smith's contribution not only to the NRL squad but his coaching of the 2nd tier squad has been invaluable. He is an extremely valuable member of our coaching staff who passes on his vast skills, knowledge and attributes to our future generation of NRL officials as can be seen in the performances of Alan Shortall and Gerard Sutton at NRL level.

Bernard Sutton's contribution to the NRL squad cannot be understated. He epitomizes what is required to achieve at the highest level.

Unfortunately Bernie has succumbed to injury and has retired from the game but it is great to see he will not be lost to the game. Well done Bernie and thank you. Again congratulations to all concerned for contributing to our game in a positive fashion.

INTER-DISTRICT REPRESENTATIVE DEVELOPMENT SQUAD COACH'S REPORT

PETER FILMER

Ladies & Gentlemen

Well, another season has come and gone and with it the NSWRLRA Junior Rep. Squad can be well pleased with their contribution to the 2010 Rugby League Season.

Our pre season was similar to the preparation we have adopted for a few seasons now and has proved to be very successful. The combination of running up mountains, on training paddocks and the beach provides for great variety in what is an arduous schedule. The introduction of physical testing outcomes for the squad proved to be an interesting exercise and was not without a 'rocky' introduction but this aspect will be pursued and fine-tuned in the 2011 season.

As always our referees commenced their on- field activities with trial fixtures prior to Christmas and the competition proper in early February. We covered trial fixtures in numerous far flung venues during the trial period and when the competition commenced a number of fixtures were played in very oppressive conditions.

Through it all, our squad members can be very proud of their on-field performances. To our Grand Final Referees, Touch Judges and In-Goal Judges my sincere congratulations for some outstanding performances on the big day. Our SG Ball officials were Referee – Laurie McDonnell, Touch judges Brendan "George" Lucas and Nathan Smith with Anthony Grady & James Vella in goal whilst for the Harold Matthews the Referee was Ziggy Prezlaska-Adamski supported by Todd Smith & Luke Mungovan on the line and Chris Treneman and Robert Thew in goal.

Stemming from this Laurie and Ziggy were graded whilst some time later stand by referee for the SG Ball Cup Final, Scott Shepherd also joined the graded ranks.

I BELIEVE THAT THE PROCESS THAT WE HAVE IN PLACE SERVES US WELL AND THE VERY BEST PEOPLE EMERGE TO OFFICIATE IN THE BIG GAMES AT SEASON'S END

One of the great difficulties that the coaching group faces with this squad is finding the delicate balance between assuring that the best performing officials are appointed to each game and seeking opportunity for each member of the squad. This is a very difficult assignment in a competition structure that provides for only nine rounds. That said, I believe that the process that we have in place serves us well and the very best people emerge to officiate in the big games at season's end.

Following the Junior Rep. competition season our coaches were busy travelling many kilometres to follow up on the performances of squad members in their districts together with seeking to find new members for the squad for season 2011 and beyond. We were also given a rather unique opportunity to officiate in a new competition known as the Sydney Shield. This proved to be a great competition for referees to test their skills at a true, old fashioned "A" grade.

In closing this report there are numerous people I wish to thank.

- The Board of the NSWRLRA for their continued support of this outstanding development programme. In particular I must thank Greg McCallum, our Director on the Board, for his support and great insight into what was required during some very emotive times early in the season.
- To the coaching group who worked tirelessly to implement a programme that proved to be highly successful and continues to produce outstanding young talent.
- Tony Danks, Doug Keen and Cathy Crowe for their outstanding support providing a whole range of resources, Cathy is simply invaluable.
- To Wayne Portlock and the crew at the Academy for your strong support of our officials and your understanding of the tough assignment that everyone in Rugby League development faces.
- I would also like to thank the graded members of both the NRL and Premier League Squads for coming along to training and assisting with the skills development of our squad members. In particular here I would also thank Steven Clark. Steven was added to our coaching group in an advisory capacity to assist in bridging the gap (real or perceived) between the Junior Rep Squad and the next levels. I can say, unequivocally, that Steve's input was sensational and I think that he would admit he might have learned a little bit along the way also.

Lastly, to the squad members can I express my appreciation and that of the coaching group for your dedication and commitment.

What we do is provide you with an opportunity which sometimes takes many seasons to materialise to the degree that you anticipate. For some people, it is not what they had hoped it would be, for others it happens far too slowly but for most they simply stick in and trust that the process will support them and that they will be given that ultimate chance. From a Head Coach perspective, as frustrating as this can be sometimes, it is what it is!!

So we move to season 2011 and by the time most people read this Report training will be well underway. To everyone may I take this opportunity to wish everyone the very best for what's next and hope that the Junior Rep Squad enjoys the same success in 2011 that it has experienced for many, many years.

NATIONAL REFEREE MANAGER'S REPORT

BARRY RUTTLE

The NRAS is an initiative of the ARL and was established to ensure a standard of quality officiating procedures across the nation. It is now conducted in conjunction with the ARL Foundation.

The scheme is about education and training as required by ARL Policy. The scheme is conducted in accordance with the regulations of the NRAS-the national authority with in which all match officials are accredited.

State Managers are responsible for the delivery of the NRAS within the area designated as the responsibility of their State Leagues. The education and examining of new referees was decentralized in 1995 so that candidates did not have to go into the city to complete their examinations. Get the referee out on the field with basic knowledge and then continue with their education (Laws) off field is the new approach.

Are we doing this? In most cases I think not.

Do we need to update how we educate referees'? Yes we do. Audio visual is the way people are educated but we still insist on trying to make the candidate read and learn parrot fashion. We need to update.

If anyone has any ideas and can help me come up with some innovative material, please give me a call 0296012762.

As I travelled around to different Districts this year I found that the inconsistency of referees in applying the Laws of the Game to be the biggest problem. The main obstacle is do we referee to the NRL interpretation of the Laws or to the Laws as written in the law books ? What's the penalty count seems to be the main catalyst now. It's 7-1 at half time. Better even it up doesn't look good. Manage the game and apply Laws then we may have consistency. Open the eyes to what is developing in the game will help keep the penalty count down.

AUDIO VISUAL IS THE WAY
PEOPLE ARE EDUCATED BUT
WE STILL INSIST ON TRYING TO
MAKE THE CANDIDATE READ
AND LEARN PARROT FASHION.
WE NEED TO UPDATE.

On a positive note the application of the Safe Play Code has seen a much better performance in particular amongst the younger and newer referees.

I would like to thank the following for their continued support of the L2 Courses. Barry Beveridge, Stan Watson, Richard Langtry and Gavin and Kasey Badger.

To everyone have a great Xmas.

7. Constitution has been reviewed. Now in the hands of NSWRL for final adoption after being approved by the Department of Fair Trading. Several changes were made including a new category of membership for Junior Referees.
8. NSWRL has stated that a referee must be a member of the NSWRLA to referee in any NSWRL controlled competition. If from Queensland, must have dual affiliation.
9. No more information than what is in media on the proposed Commission to administer the game.
Adoption of the Report. Moved by B.Gately, Seconded by I McCall. Carried.

EXECUTIVE OFFICER'S REPORT

1. Referred to the collaborative approach adopted by the Board in dealing with a number of issues and matters through the season the most outstanding of which are listed in the Annual Report.
2. Thanked the Directors for their assistance, support and guidance especially the Chairman Dennis Spagarino and the Director of Finance, Darren Alchin.
3. Thanked Steve Betts for his assistance and advice with regard to ARLRA matters, especially the three Championships in which the Executive Officer was involved.
4. Recognised Arthur Konnecke and Ian McCall for the work they had done for the Referees Bowls and Jack O'Sullivan who assisted with the organization of the All Schools' Carnival and who offered his advice on many occasions on a range of matters.
5. Drew attention to some errors in the Annual Report particularly in the names of referees. Pointed out that when the draft went to the Printer these errors had been corrected and the printer has offered to produce copies for the archives and any referee who feels disaffected by the mistakes or omissions.
Adoption of the Report : Moved Graeme Priest, seconded Brett Lynch. Carried.

FINANCIAL REPORT

Darren Alchin stated there was little to add. A small surplus to report. 2010 submission forwarded to ARLI but no reply as yet. Mav be necessary to reia budget when response is received.

Adoption of the Report. Moved G.McCallum, Seconded L.Bugden. Carried

ANNUAL REPORT

Ron Pearce commented on the presentation of the report , the quality of the written and verbal reports especially. He expressed great pleasure in moving its adoption.
