# PATRON'S REPORT IAN MCCALL

Once again our Association began the New Year with a new Chairman, Paul Simpkins, who has brought with him a fresh approach and much experience through his many years as an NRL Referee and his administrative years in the NSW Police Force. As a result a feeling of strength and stability seems to be pervading our meetings and many new and progressive ideas have been implemented.

My fellow Co-Patron and my friend, Jack O'Sullivan, passed away in May this year. Known for his good humour and loyalty, Jack not only gave his time to the NSW Association but was also involved with the CYO, Canterbury-Bankstown and Western Suburbs Referees Associations during his lifetime. Jack is missed.

Continuing the idea of having a Guest Speaker at NSW Association Meetings has been very well received. The informative talks by Tony Archer and Geoff Carr this year have certainly been enlightening and entertaining for most of us present. It is hoped this practice and its high standard can be maintained.

Congratulations to our newest Life Members, Steven Clark and Brett Lynch who were graded in 1989 and 1995 respectively. Both these gentlemen have given active service to Refereeing on and off the field for many years at District and NSW level and are regarded as worthy recipients.

The efforts of the Board in seeing to the upgrading of change room facilities for Graded Referees at some of the suburban grounds has to be commended. The issue of the change rooms for referees has been a long standing one and it is pleasing to note that the NSWRL has moved to have this rectified. District referees who use these grounds will also benefit from this upgrade.

Congratulations to Peter Filmer on being awarded the Medal of the Order of Australia (OAM). Besides the time he has given to refereeing, as a graded referee, in coaching and administration at District and NSW level, Peter's award also recognised his efforts for

A FEELING OF STRENGTH AND STABILITY SEEMS TO BE PERVADING OUR MEETINGS AND MANY NEW AND PROGRESSIVE IDEAS HAVE BEEN IMPLEMENTED.

the Penrith and the Springwood Cricket Associations and his work in setting up the Blacktown Relay for Life to raise funds for the Cancer Council. Well done Peter!

The Life Members and Seniors Appreciation Luncheon was a highlight of the social year. Noel Kelly delivered the Laurie Bruyeres Recitation and the presentation of the framed Certificates of Life Membership complemented the Certificates of Membership we received in 2011. Luke Bugden is to be congratulated for his organisation.

Sadly this year we have seen the passing of some of our senior members as well as valued family members of our referees. They may no longer be with us but they will be remembered with respect. Sincere sympathy is extended to those who are feeling their loss.

Finally, to the Board of Directors, Committee members and coaches, congratulations on another successful year. Your time and your efforts have been appreciated.

# CHAIRMAN'S REPORT

In December of 2013 I was elected as Chairman of the NSWRLRA, a position I never thought I would have the honor of holding. I felt a weight of responsibility when I accepted the position, concerned that my best might not be good enough. The NSWRLRA is a body that has existed for more than a century, and for that reason alone, has a special place in Australian sporting history. The Association has been in existence since the origin of Rugby League and has contributed to the game we all love and enjoy as it has grown to one of the biggest and best games in the Country. The Board, as your elected representatives, are all aware of their responsibility to ensure that the Association's heritage is preserved and its objectives are met annually.

At the commencement of the year I sent out a newsletter entitled 'Chairman's Chat'. In that newsletter I stated that I saw this as a year of gathering ideas, achieving consensus and adjusting our thoughts on how we project ourselves into 2015 and beyond. My aim was to gather views, discuss them with the Board and deliver a vision, which hopefully serves all members. I am pleased to say that we have made great progress. The NSWRLRA Strategic Plan is on track to be delivered before the end of the year. The construction of this plan involved representatives of each of our 'membership silos'; Life members, Graded Squad members, NRL Squad members and Junior Representative members as well as each member of the NSWRLRA Board. The collective thoughts of this group together with information gathered from meetings with each of the squads and analysis conducted by the Executive Officer provided the structure for this plan. It has been well considered and constructed with the common purpose of building a stronger, relevant Association for all our membership. This is a significant step forward for the Association. It will provide the Association with a clear direction and hold all of the elected positions, especially those of the Board, to account. A wise man once said, "Without a plan you have no future". It has also been said that "If you fail to plan you plan to fail". The NSWRLRA now has a plan to provide a bright future for all members.

I expressed my vision for 2014 at the Annual General Meeting, which the Board has supported throughout the year. I stated at the AGM that the emphasis for this year is bringing people together. This has happened in a number of ways. We have had Life Members invited to significant events hosted by the NRL Squad, the first being a dinner and jersey presentation for State of Origin Officials which Ian McCall and Brian Gately attended.

Brian Barry, in his 90th year, was invited to the Col Pearce Medal, acknowledging the best NRL referee of the year. The Board saw these invitations as linking today's elite performers to our Association's heritage. We thank Tony Archer for his keen interest in this and hope we can expand on these ideas as we go forward.

The Life Members luncheon invitation was also extended to all of our members to honour our Life Members and also rekindle friendships. I hope we can promote this day further in years to come.

I would like it to be the one day each year that we set aside to honour our Life Members, reunite with old friends and form new friendships with our next generation.

To the Executive of the Association I thank you all. Every year

brings it challenges, and challenged we were. However, I am proud to say that the Board always conducted itself in the best interest of all members. There was a range of issues throughout the year where our members required the support of the Association in both a professional and personal capacity. The compassion of our Board members and the support offered to those requiring this support drove home the need for such a body to look after the welfare of our members. Unfortunately, a number of welfare issues surrounded the passing of members. Our thoughts and prayers remain with those families.

I must thank Frank Leonard for his support to the rookie Chairman. On many occasions Frank offered his words of wisdom around meeting agendas, the Constitution and other business items. Frank's workload at times is extraordinary however he never shies away from new challenges such as the Strategic Plan, for which he is very passionate.

Doug Keen, Luke Bugden, George Jankowski and Jimmy Oliveria have all contributed to the benefit of the Association this year. I thank their wives and partners for the time that they have allowed them to manage Association business.

Unfortunately Greg McCallum resigned late in the year due to work commitments and I thank Greg for his contribution to the Board. Greg's experience and knowledge around the Board table was appreciated by all. The Director of Referee Development will be a challenging job in the years ahead to ensure that the pathway for each of our active members is open and we address the

change that comes from decisions made by those who administer the game both at National and State levels.

I would like to thank the National Rugby League for their continued support of the Association. Throughout the season the Association has worked through a number of issues with the NRL which has resulted in the negotiation of outcomes acceptable to our members. We look forward to opening up communication further as we head towards the 2015 season.

### Tony Archer, Elite Performance Manager of the NRL.

I congratulate Tony on the job he has done this year. This is a tough position and Tony has taken it on with gusto. I also thank Tony for accommodating the Association's requests to speak at our meetings, invitations offered for Life Members to attend NRL Referee functions and for being available for a chat when Association issues arose. To have our communication open will no doubt assist in resolving any issues which may arise, benefiting both organisations.

### Mr David Trodden, CEO of the NSWRL

I thank David for his outstanding leadership and support when the Association has approached with any issue. Having only met David this year I cannot help but be impressed by his accessibility. I can commend him to the Association as a leader in our game.

# Tony Danks of the NSWRL Referee Coaching & Development Unit I also thank Tony for his assistance throughout the year. I look forward to working with Tony next year to meet our objectives

forward to working with Tony next year to meet our objectives arising from the Strategic Plan.

As you read through this Annual Report you will see the achievements of active referees who officiated in Representative games, Finals and Grand finals. Congratulations to all those who are named. The achievements of all other members of Junior Representative Squads, NSW Graded Squads and NRL squads should not be understated. Each squad member contributes to success. You push each other through pre season and weekly training, work as a team on the field, debrief each game,

learn from each other and support each other on and off the field. Congratulations to everyone who had the courage and commitment to participate as a Rugby League Referee at this level in 2014.

So many of our members and our affiliates give up time to coach, mentor or assist individuals to help them succeed in their refereeing careers. These people are the backbone of any Association and more broadly the rock on which Rugby League was built. We should never lose sight of the fact that we need to support, promote and acknowledge their vital role in the ongoing success of this sport. Thank you to all those involved this year.

Thank you to my wife Mandy and our children, Noah and Olivia, for supporting me as I serve as Chairman of the NSWRLRA.

I will conclude this report with the words I used upon my election: "Rugby League referees are ordinary people who conduct themselves under extraordinary scrutiny. They need support from people who have previously walked in their shoes. There are many within our Association who can offer this support, coaching, encouragement and camaraderie. Together this is our common purpose".

I trust that the Board of the NSWRLRA has served you well this year. Enjoy your break with family and friends.

# **EXECUTIVE OFFICER'S REPORT**

Members, I submit for your approval and adoption, the 107th Annual Report and Financial Statement from the Board of Directors of the NSW Rugby League Referees' Association Incorporated for season 2014.

During 2013, with the Chairman Michael Stone's and the Board's approval, an approach was made to former NRL, Test Match, State-of-Origin and Video Referee, Paul Simpkins asking if he would consider the position of Chairman of the Association for 2014. After some deliberation and consultation with his family, Paul agreed and the Association has benefitted significantly during 2014 from his vision, leadership and expertise, especially when it comes to matters of law, whether Civil, Criminal or a Code of Conduct issue. On two occasions during the year Paul demonstrated his skills in this area strengthening considerably the Association's relationship with the NRL, the NSW Rugby League and the Board of Directors with some sections of the membership. He also supported the move to develop a Strategic Management Plan that will chart the Association's course over the next five years and meets the NRL requirement that this blueprint should be in place, going forward. The Board looks forward to the unfolding of this Plan over the next five years and the outcomes for the Association that the Plan has the potential to achieve.

### REFEREE COACHING AND DEVELOPMENT

Following a year served as Director of Referee Coaching and Development, Tony De Las Heras stepped down at the end of 2013 as a result of securing one of the coaching positions of the Junior Representative Squad and his input in that area has been very valuable. Greg McCallum returned to this Directorship but found the pressures associated with his position as Assistant Manager of the NSW Leagues Club, in a very trying year, forced him to resign in August and the position was left vacant to be filled at the Annual General Meeting. Greg's contribution to the position and especially to the Board where he brought a great deal of experience, expertise and people management skills to the table is greatly appreciated. As a Life Member, he will not be lost to the Association and his skills will be called upon from time to time in a variety of forums.

The prime function of the Association is to oversee and to ensure the Coaching and Development of active referees, both within the Association and within the fifteen affiliated District Associations. The creation of the Referees' Coaching and Development Unit by the New South Wales Rugby League in 2006, under the Management of Tony Danks assisted by Doug Keen, took Coaching and Development of the Graded Squad and the Junior Representative Squad to a new level so that the focus on the improvement of coaching methods and ensuring that the best available coaches are employed has been maintained during 2014. The Junior Representative Squad was coached by Michael Lewis ( Head Coach), Steve Clapson, Bryan Gilchrist and Tony De Las Heras with Jared Maxwell co-opted as a Technical Coach. They were responsible for a Squad of 58 referees from which Darian Furner (Central Coast), Kieren Irons (South Sydney) and Benjamin Teague ( Newcastle-Coalfields) were Graded during the year and further Gradings are expected to begin Season 2015. The Graded Squad coaches remained unchanged for Season 2014 where Phil Cooley and Peter Filmer were responsible for the 32 members of the Squad and Steve Clark provided the Technical and Performance Coaching. Both Squads again reported very positively on the Coaching provided and on the Assessments and Match Reviews of their On-Field performances by the thirty Match Day Assessors.

The NSW Rugby League All Schools' Carnival was another outstanding success and, again, in the interests of Referee Development two New Zealand referees, two from the Northern Territory and one from Victoria were among the ninety referees recruited for it. A feature of this year's Carnival was the attendance of ten of the NRL Referees' Squad on Day 2 to support and offer advice to the young referees officiating. Over the three days

the standard of refereeing was excellent attesting to the great work being done at grass roots by the many volunteer Coaches, Assessors and Providers. As a tribute to Jack O'Sullivan, one of our two Patrons and a great stalwart of the Association who passed away on the 20th May of this year, the Board decided to introduce a trophy into the Primary School Section of the All Schools Carnival for a referee demonstrating potential. The inaugural recipient was Oscar Murphy (Manly Association) who received the Trophy from Judy Newland, Jack's daughter, following one of the Finals played on the day at St Mary's Western Weekender Stadium.

### **REFEREE MOVEMENTS**

Season 2014 began with the promotion of Ziggy Przeklasa-Adamski, Kasey Badger, Phil Henderson, and Lawrence McDonell into the NRL's Holden Cup Squad and the retirement from the NRL Squad of Jason Robinson. This created opportunities for some well-performed Junior Representative Squad members for Grading at the beginning of 2014 and those Graded were Trent Cini, James Vella and Rohan Best. There was further movement

in June when Kieran Irons, Darian Furner and Benjamin Teague were also Graded. Following the completion of the NRL Season, the retirements of Paul Holland, Luke Phillips, Phil Haines, Luke Potter, Daniel Eastwood and Shayne Hayne were announced, while Adam Cassidy and Chris Treneman from the Graded squad were promoted to the Holden Cup Squad.

### **2014 INITIATIVES**

In the current absence of a Strategic Management Plan, Association initiatives come from individual Directors, in the main and were sometimes reactive rather than pro-active decisions. Nonetheless they have and will contribute to the welfare of members and further growth and development of the Association. This will certainly change in 2015 with the implementation of the Strategic Management Plan. The major initiatives for the year have been:-

- The movement of the Annual NSWRL/NSWRLRA Conference from Narrabeen to the Sports House at Sydney Olympic Park and removal of the expectation that the Executive of each Association attend on both days.
- The development of a Strategic Management Plan for 2015-2019 by a twelve person committee that was representative of all sections of the Association.
- The inclusion of an NRL Active referee, Jared Maxwell, as a Technical Advisor to the Junior Representative Squad.
- Establishment of an NRL Referee recognition initiative whereby individual career highlights are placed on the Association's website and reported upon at Board and General meetings.
- A survey of Graded Squad members and follow up on Dressing Room facilities at all grounds where NSWRL competition games are played.
- A survey of Graded Squad members regarding Club Coaches and Officials' conduct with a follow up Report to the NSWRL.
- The introduction of a new Association tie presented to the NRL Squad, the Graded Squad and Life Members.
- Reintroduction of Guest Speakers at General meetings.
- The establishment of an Association Social Golf Club.
- The return to an invitation to all Non-Active and Graded members to attend the Life Members' Appreciation luncheon contributing to a total attendance of sixty-eight with twenty-one apologies. All Life Members present were presented with a Life Members' Certificate following a revision of and renumbering of the Life Member List when it was discovered that an error had occurred in the records many years ago.
- Expansion of Communication tools that now include E-mail, the Web-Page, Facebook, Twitter, "Chairman's Chat" and this Annual Report.
- Closer monitoring by the Board of the progress of the Association's Budget.
- Affiliated Association Administrative and Coaching and Development Grants paid earlier than at any other time in the Association's history.
- A further securing of Partnership Agreements between "The Good Guys" and twelve Affiliated Associations covering three years taking the total to \$119,500.
- The agreement by the New Zealand referees who officiate in the NRL competition and NSW Cup to become members of the Association.
- The creation of an award to honour the memory of deceased Patron and Life Member, Jack O'Sullivan, the award going to a Level 1 Referee officiating in the Primary Schools' section of The All Schools' Carnival.

## JIMMY OLIVEIRA

I present for your adoption the audited Profit and Loss Statement plus Balance Sheet for the year ended September 30, 2014.

The Association received funding for all operations by a Grant provided to us from the NSWRL which totalled \$205,001 in 2014 an increase of \$58,259 (39.7% more than 2013) resulted from the NSWRL understanding the 63% reduction in our budget of \$252,894 in 2013 (to align our funding with the NRL and QRL referees Coaching and Development funding models) contributed to our \$21,361 loss in 2013 and we required increased funding which was granted. We have endeavoured to focus the majority of our spending on Referees Coaching and Development as usual.

The Association continues to assist our Affiliates with Grant funding and understands the challenges being experienced by some who struggle to attract partnership and sponsorship dollars. In 2014 for the third consecutive season our two Affiliated Association Grants namely, the Administration and Coaching and Development Grants were made available to all our qualifying Affiliates earlier than ever before on Monday February 24, 2014, the day after our Affiliated Districts Conference at which our Affiliated Directors attendance is a requirement in order for both Grants to be paid.

Thanks to Greg Pollard the Chief Financial Controller of the NSWRL for the payment of our three Grant instalment invoices during 2014 which provided the cash flow to fund our referees Coaching and Development programs plus Affiliated Grants in a timely manner throughout the season.

The Association had an operating profit of \$5,734 for the year ended September 30, 2014 which is a good result especially considering we increased spending in Training C&D Communications nearly four times more than in 2013, while an increase in social spending resulted from some 2013 invoices coming in after our end of financial year and our Chairman's focus on bringing everyone together again.

Selected Junior Representative Development Squad members were funded to take part in Referee exchange programmes in the QRL equivalent of our Harold Mathews and SG Ball Cup competitions. The Association also funded Referees selected from the same Squad to officiate in School Boy Development Carnivals in Darwin, Queensland, Wollongong and Saint Marys during 2014.

There was a 3% CPI increase obtained in 2013 for the first time in over twelve years, for all of our Affiliated Association Grants and was maintained in 2014 when our Grants were made available in February prior to the season starting. Administration Grants of \$1545 were provided to all our Affiliates who attended the Affiliated Districts Conference (and had entered all their members correctly in the NRL League-Net Database) to assist them to pay for their administration expenses incurred.

Coaching and Development (C&D) Grants were also made available to our Affiliated Associations earlier than in previous years commencing in February too, instead of mid and late in the season as was the case in 2012 and seasons prior. Full Affiliates of the NSWRLRA received \$3605 and dual Affiliates were granted \$1545, so long as Affiliates continue to increase their spending and improve their Coaching and Development programs, no Association will receive less C&D funds in future.

I have also continued to assist District Associations to secure

sponsorship in the form of Partnership Agreements with 'The Good Guys' who have a vision for a state-wide partnership with all District Referees' Associations in NSW. In 2013 'The Good Guys' were sponsoring four District Referee Associations, namely Central Coast (shorts) Group 6 and Wests (back of jersey, 2 stores) and Newcastle Referees (front and back of jersey, 3 stores) with the option to extending beyond the end of these terms.

Three more Associations, Parramatta, St George and University Cup Referees all secured 3 year back of jersey partnerships starting in 2014, while Newcastle Referees negotiated a 3 year extension to their deal, for a grand total of \$119,500 in partnership agreements currently in place with 12 of 28 'The Good Guys' stores in NSW partnering with seven District Referees Association in 2014.

# THE GOOD GUYS' HAVE A VISION FOR A STATE-WIDE PARTNERSHIP WITH ALL DISTRICT REFEREES' ASSOCIATIONS IN NSW.

Thanks to Neale Genge of Newcastle Referees for making us aware of this opportunity and to Ray Dwyer of Group 6 Referees for assisting me with two presentations to 'The Good Guys' State Conferences in November 2012 and May 2013. Both were instrumental in achieving the \$119,500 in Partnership Agreements now in place for District Associations and thanks to all Associations who have supported this initiative.

The Workplace Relations Committee through Adam Devcich presented a professionally compiled Collective Bargaining Agreement document to the NRL in September 2013 which came into effect in pre-season 2014. This provided the framework for a whole of game approach for our member's Workplace Agreements as requested by the NSWRL's Chief Finance Officer ,Greg Pollard. Thanks to Adam, Mathew Damaso and Brendan Lucas for their work on our new NSWRLRA Referees Squad's Memorandum of Understanding (MOU) for seasons 2015-2018.

The 2012 MOU between the NSWRLRA & the NSWRL remained unchanged for NSW Graded and Junior Representative Squad referees in 2014. Our new document has been provided to the NSWRL in order for us to remain in line with the whole of game approach requested by Greg Pollard, the Chief Financial Officer of NSWRL.

Thankyou very much to all our Trainers and Masseurs on behalf of all the Active Referees. John McCormack, our Director of Rubbers, myself, and the Association all appreciate your professionalism and great assistance on game days and at training sessions throughout the season. I was proud to secure a 30% increase for our trainer fees in 2013 to better align their pay to their NRL appointments and this fee increase remained unchanged in 2014.

Throughout this year the Association,s Board has met repeatedly with a selection of our members from all our various membership categories and worked on formulating a Strategic Management Plan (SMP) for the future direction of the

Association. Frank Leonard, our Executive Officer has quite rightly been advocating this for a few years now and I look forward to further contributing to the positive all inclusive SMP making even clearer the direction of our Association and securing it's future, while also maintaining our long and proud 108 year history.

# DIRECTOR OF REFEREE DEVELOPMENT REPORT

# **GREG McCALLUM**

Another outstanding year by our members who took on the often thankless and at times 'unappreciated' roles within the education, training and coaching of referees.

The NSWRL Referees' Association continues to identify and bring into the system talented young referees who underpin the future of the game. The relationship and expectation of our affiliate members has never been of a higher standing and we all hope that the future structures - whatever they may be - continue to respect the long association between the two at this crucial level.

Also at a continued high level of interaction is the important link between the office of the NSWRL Referees' Coaching & Development Manager Tony Danks and our Association. The continued great level of interaction is so important and to that end I applaud the efforts of Tony along with Doug Keen and Cathy Crowe. Their commitment to refereeing and to our Association has been outstanding for many years and this year all arrangements, appointments and training went off without a hitch.

The NSW Graded Squad performed at an impressive level and a number of those referees had a taste of higher honours

# THE NSWRL REFEREES' ASSOCIATION CONTINUES TO IDENTIFY AND BRING INTO THE SYSTEM TALENTED YOUNG REFEREES WHO UNDERPIN THE FUTURE OF THE GAME

and ,when called upon, performed well. The future is bright if all structures responsible for the development and education of referees work together. Congratulations to all members who achieved major appointments and those who reached or surpassed their own personal goals for season 2014. Refereeing at this level is not easy – disappointments often outweigh successes but that is part of the challenge of sport at this level. To the coaching team team of Steve Clark, Peter Filmer and Phil Cooley our thanks on your commitment to this Squad and for passing on your valuable experience. To our training staff and those who assist at the grounds in a number of roles our thanks for a great year. Great to see Andrew Zapantis involved – he has shown great dedication since his return to the fold.

The Junior Representative Squad again surpassed expectations. The quality of officiating at this level continues to grow and full credit must go to Mick Lewis and his team Bryan Gilchrist, Steve Clapson and Tony De Las Heras. I haven't listed individual performances in my report as they are listed elsewhere along with those enthusiastic and dedicated Match Day Assessors who give of their time and expertise to week in week out evaluate and debrief referee's performances. The assistance provided by Jared Maxwell in his capacity as an Advisor was also greatly appreciated.

This Director of Referee Development is a role that needs someone to come along and stamp their authority and increase the interaction between the Association and its affiliates in the area of Coaching and Development. It is a crucial role and my hope is that special someone will emerge to take the role on in 2015.

# DIRECTOR OF MEMBER SERVICES REPORT

**LUKE BUGDEN** 

Mr Chairman and members,

It is with pleasure that I present the Director of Member Services report of 2014.

The start of the new season is usually quiet on the social scene but a couple of training BBQ's were held before the commencement of the season for all active members. A number of other BBQ's were held during the year including a combined sessions with the NRL, NSW Cup and Junior Development Squads. These proved to be beneficial in strengthening the membership and instilling a sense of camaraderie across the squads. My thanks to Doug Keen, Dennis Spagarino and Steve Betts for assisting with the cooking. Also to Matt Domaso for the use of the mobile BBQ.

An initiative proposed early in the year was the intention to establish a Referees Social Golf Club to increase the social interaction between members. The initial idea was to have a monthly round at various courses. Eventually the first round was played at Royal Marrickville with about 8-10 players. Thanks to Steve Clapson for his organisation and enthusiasm in backing the initiative and to those members who have supported the concept.

# THE AREA OF MEMBER WELFARE AND PEER SUPPORT IS SOMETHING I FEEL IS IMPORTANT AND SHOULD BE STRENGTHENED IN COMING YEARS

It is hoped that a more regular calendar of games will be planned for 2015. The luncheon for the wives of former Graded partners was again held at the NSW Leagues Club. 12 wives of members who are, sadly, no longer with us joined Board members and partners for an enjoyable afternoon. The day is looked forward to by the ladies and some amusing anecdotes were related about the wives involvement in their husband's refereeing career. My thanks to Greg McCallum in organising arrangements at the Club and other Board members for supporting the afternoon. Also to Frank Leonard in assisting to track down some of the former member's wives.

The Life and Senior Members luncheon was held on the Saturday of the NRL Grand Final weekend. Active members were also invited to attend the function. In all about sixty-five were in attendance on the day. The day was open to all Active and Non-Active members thirty-six of whom joined thirty two of the Life Members of the Association. Noel Kelly, former Wests and Kangaroo forward presented the Laurie Bruyeres Recitation for this year's luncheon.

Again thanks to Greg McCallum for his assistance in organising matters at the Club, acting as M.C. of the function and especially for the audio-visual presentation and to Frank Leonard, George Jankowski and Jimmy Oliveira for taking care of the invitations, the menus, presentations and the photographs on the day whilst I was away overseas on holidays.

After positive feedback from last year the Presentation Night was again held at the Concord Function Centre. The night was well supported by members guests and kindred Associations with close to 150 in attendance. It was an enjoyable evening with many positive comments on the venue and the event. Congratulations to the following recipients of the Association awards: -

Dennis Braybrook Award - Michael Quailey (North Sydney) and Gerry Hinds (Newcastle)

Michael Stone Medal – Liam Nicholls and Adam Cassidy George & Amy Hansen Award – Peter Filmer O.A.M. Eric Cox Medal – Frank Leonard

Also on the night Life Membership was presented to Stephen Clark and Brett Lynch. Both members have contributed greatly to the Association particularly in the area of Coaching and Development. Both are worthy recipients of the Association's highest accolade.

The area of member welfare and peer support is something I feel is important and should be strengthened in coming years. The development of strategies to address the welfare for members in relation to refereeing matters is an on going process. The Board is supportive of this and gave support, assistance and guidance to a number of members who came under investigation by the NRL Integrity Unit for some minor issues.

Thanks to my fellow Board Members for their support and co-operation during the season particularly during my absence overseas and when I was unavailable due to family commitments. Thanks to my Committee members for their help through out the year and also to the members for their support of the Association through their attendance at social events during the year.

Finally, I thank my dear wife Iris for her continued support and enduring patience with my involvement in the Association throughout the year.

I have enjoyed the role and the challenges it brings. It is to be able Being able to contribute and work together with other members to improve the Association rewarding positive. I look forward to being of service to the Association in the coming year.

# DIRECTOR OF AFFILIATE LIAISON REPORT

## **DOUG KEEN**

Firstly I would like to congratulate the Board on what I thought was a very strong year for the Association. The Executive Officer continues to put so much effort into his role so things run smoothly and efficiently. Well done Frank Leonard.

Also I would like to personally congratulate Chairman, Paul Simpkins, for his strong leadership during the year. New to the role it took a little while to settle in but he was very well settled by years end. His handling of the betting issue was first class which resulted in some common sense prevailing and his quest for greater inclusion of all forms of membership is to be commended as well.

Again we have been moving with the times with our Strategic Plan well under way and should be implemented in the new year for our future endeavors, thanks to those members on the committee

We are still looking forward to working with the new proposed National Referees Manager and structure when it is put in place for the betterment of all officials nationally. It is well over due some 3 years now, let's hope 2015 is the Year.

My role means visiting a lot of Associations over the year,

THE ALL SCHOOLS CARNIVAL
WAS ANOTHER AREA WHERE
WE WORKED CLOSELY WITH
OUR AFFILIATES FOR REFEREES,
COACHES AND ASSESSORS

that's 15 Associations' meetings It's at night most of the time, so I would like to express my thanks again to Sylvia for her understanding and little Jack when I am away from home.

I was very saddened to lose one of our best supporters and a member for many years of the Liaison Committee Mr. Jack O'Sullivan. To his great family our condolences and he will be sorely missed by all our members. It was great to announce the Encouragement Award at the All Schools Carnival for a young referee in his honour.

I would like to thank my stakeholders being the Associations who greeted us warmly at Meetings during the year. I really enjoy those meetings and keeping you in touch personally with the NSWRLRA and what's happening.

Again we worked together with Associations with NRL Ref for a Day, a very successful program with young referees having a very good experience training with the NRL Squad. Special Mention to Tony Archer for his continued support on this program. Thanks to those NRL members who also assisted with courses and other activities during the year.

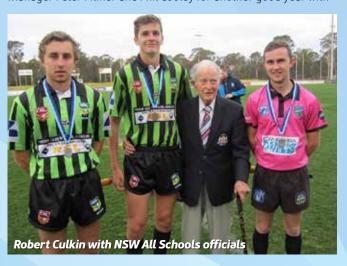

The Annual Conference was held early in the year at Homebush for the first time and I feel was an outstanding success. Without the assistance of Frank Leonard, Tony Danks and Cathy Crowe this could not have been possible.

The All Schools Carnival was another area where we worked closely with our affiliates for referees, coaches and assessors in making the carnival work well. Appreciation to Cathy Crowe, Frank Leonard and Tony Danks again for their hard work and dedication. Also to the CRLRA, Tony Hardy and Pat Walsh, Willy Barnes and Wayne Wilson who worked hard on the carnival as well.

Awards such as Dennis Braybrook for Junior Development and Les Matthews for Refs Volunteer of the Year were again handed out. Congratulations to Michael Quailey & Gerry Hinds for taking out the Dennis Braybrook Award. Congratulations to Mark Ryan from Canberra for winning the Les Matthews Award.

The Junior Reps had another stellar year with Mick Lewis as Head Coach, ably assisted by Steve Clapson, Tony De Las Heras and Bryan Gilchrist. This squad is so focused and a pleasure to work with and getting the results they deserve.

Congratulations to Tony Danks NSWRL Referee Development Manager Peter Filmer and Phil Cooley for another good year with

the Grade Referees. Also thanks to Steve Clark for his assistance with his role as High Performance Manager with NRL.

Again thanks to all the District Boards we work with and your commitment to your individual Associations. It is a pleasure to work and assist you where I can. There were many phone calls and e mails about various things and topics during the year. The Secretaries I will now leave alone for a while and I look forward to catching up with you for the new season ahead.

One of my best times of the year for me is heading off to the various Grand Final Days as a representative of this Board. This year I attended 12 of the 15 Grand Finals Days. All Associations are to be congratulated on the manner in which they conduct their days and the support to their own referees. The game should be proud of your efforts.

# OUR PROUD AFFILIATE ASSOCIATION'S

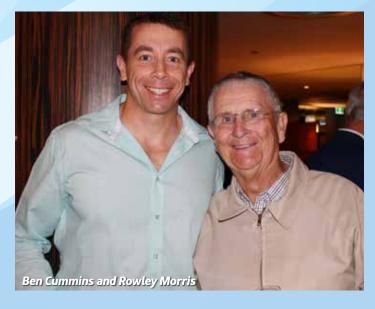

Finally, I thank the members for supporting the Board and I thoroughly enjoy working for our members on the Board in my portfolio. At the same time I thank the Board members for all their hard work.

Special thanks to Cathy Crowe, Dennis Spagarino and Tony Danks from NSWRL who support our Association and work closely together for the development and welfare of our referees. I appreciate their support.

Moving forward my thoughts are to continue to assist the Association where ever I can and with the New Strategic Plan in place we can achieve even greater results for our members and affiliates.

# DIRECTOR OF MARKETING & COMMUNICATION REPORT GEORGE JANKOWSKI

I am pleased to present my seventh Annual Report as the Director of Marketing and Communications.

The NSW Grade Squad commenced their pre-season training in November 2013 which continued through to Christmas.

They recommenced full training in early January 2014 and we introduced three new members to this squad at this time – James Vella, Rohan Best & Trent Cini.

At the end of the Junior Representative Squad's season we graded a further three new members to the Grade Squad – Keiren Irons, Darian Furner and Benjamin Teague and we wish these three young men all the best in their future careers.

I look forward to working with our Junior Representative Coaching Panel in Season 2015.

I have been extremely fortunate over the last few years to have Peter Filmer & Phil Cooley as our Grade Squad coaches. They both give much of their time to ensure improvement in the squad and, importantly, they show a caring attitude towards each Squad member. Steve Clark assisted with skills and coaching of this Squad and his experience and understanding of the referees in this Squad is invaluable.

# NRL ELITE PERFORMANCE MANAGER'S REPORT

Season 2014 witnessed another change in the leadership of the NRL Referee Department following the move of Daniel Anderson to the position of General Manager of Football at Parramatta. As a result, I took up the position as the Elite Performance Manager.

A challenging but very worthwhile task that was made much easier by the support and work ethic of my staff, Russel Smith, Andrew Dunemann, Bernard Sutton, Steve Chiddy, Cameron Black, Michelle Minichiello and Don Stuart. I could not have asked for anything more from them. As the demands increased during the season, so did their level of commitment and help. Importantly, the department saw the acquisition of a PHD student from the University of Technology, Matt Jeffries, who is conducting a three year study on match officiating in Rugby League.

As in any season, individuals and the group have had highs and lows, but one of the most significant improvements was the level of support that the NRL Referee squad received from the NRL hierarchy including Nathan McGuirk, Todd Greenberg and Dave Smith as well as the NRL Commission. It was refreshing to regularly see members of the commission in dressing rooms after matches, as well as members of the NRL Senior Executive team.

As a group I thank every member of the NRL squad for their contribution, dedication and effort throughout a tough, long, yet rewarding season. The 2014 year saw a number of changes introduced where for the first time match evaluations of on field performances was assessed numerically. Also, referees had access to specifically designed statistics measuring unique aspects of their game.

# ONE OF THE MOST SIGNIFICANT IMPROVEMENTS WAS THE LEVEL OF SUPPORT THAT THE NRL REFEREE SQUAD RECEIVED FROM THE NRL HIERARCHY

In addition to those changes, the NRL established the 'NRL Emerging Referee Squads', one based in NSW and one in QLD. As a result, the number of NSW graded officials in the Emerging Squad was seven and a significant increase on previous years. They controlled matches within the NRL, Holden Cup and NSW Cup competitions.

Significantly the 'Women in League Officials Program' was introduced which saw Kasey Badger from the NSW graded squad included in the program for the first time.

As results of the development of these Emerging Squads, an increased level of communication and cooperation occurred between the Emerging Squads Coach, Bernard Sutton and the two State Managers, Tony Danks and Eddie Ward.

The NRL squad has seen a greater presence of NSWRLRA in 2014 through the leadership of Chairman Paul Simpkins. I have known and respected Paul both professionally and personally for a number of years. Throughout the year we have had many healthy debates about refereeing but most significantly, we have a common goal to improve refereeing in this country, by developing the future, embracing the present and respecting the past. The Association is in very safe hands when the quality of people like Paul are involved.

I congratulate all match officials for their season and look forward to working with a number of members of the NSWRLRA in the future.

# INTER-DISTRICT DEVELOPMENT SQUAD COACH'S REPORT

"Change" has certainly become a frequently mentioned word when we speak of the New South Wales Rugby League Referees' Association Inter-District Development Squad. Congratulations have to be extended to James Vella, Trent Cini and Rohan Best on their promotion to the Graded Squad for the 2014 season, late in 2013. As a result of promotions and other reasons, the 2014 version of the Inter-District Development Squad needed some basic foundation re-structuring and seventeen new members joined the squad for pre-season training, starting in early November 2013. The pre-season sessions were conducted twice a week, with our Wednesday evening sessions taking place at Norford Park, Sefton and our Sunday sessions moving around the Sydney metropolitan area. Clovelly, Collaroy, Wanda, Glenbrook and Narrabeen hosted Sunday sessions with the attendance record of the entire squad being fantastic. It was obvious from early that the 2014 version of the squad was exceptionally fit and as a result the training was to be very specific focussing on the members' wellbeing.

Trials began early in the new year and the jostling for positions in S G Ball and Harold Matthews for the opening round of the competition was most competitive. We were fortunate enough during the season to be able to give twenty four members of the squad a centre in either SG Ball or Harold Matthews, which increased in size to thirty eight as the season progressed with members officiating in Sydney Shield and Schoolboy Cup games as well. Congratulations have to be forwarded to Kieren Irons and Darian Furner on their appointments to the finals of the S G Ball and Harold Matthews' competitions, respectively, and as a result their ultimate move to the Graded squad along with Benjamin Teague.

Additional congratulations have to be passed on to Matthew Treneman who refereed the final of the Under 18 Australian Schoolboy Championships in Darwin and Patrick Mackey who refereed the final of the Under 15 Championships in Tamworth.

# TO ALL OF THE ASSESSORS WHO HAVE ASSISTED THIS SQUAD, YOUR EXPERIENCE AND ABILITY TO BETTER THE MEMBERS OF THIS SQUAD ARE TO BE ADMIRED

Also attending those championships were Taylor Deland-Cleveland (Under 18) and Martin Jones (Under 15) and their efforts are also to be noted. Later in the season, the Schoolboy Cup final was controlled by Taylor Deland-Cleveland and he is to be congratulated for his efforts as is Nathan Loveday who controlled the Plate final of that competition. So many members gave of their time and talent to assist in the running of this elite competition and this amount of dedication is much appreciated.

The size of the squad for the 2014 season sat at fifty four members and this was necessary as twice in the competition season we were required to fill fifty four appointments when all games were played in New South Wales. Members of the squad were also fortunate the share in the swap of games with their Queensland-based counterparts and we thank Steve Clarke, Eddie Ward and John Topp for maintaining this opportunity.

Many memorable moments were experienced throughout the season. The squad trained at Wanda on a wet, yes wet, Sunday morning in The Shire and the weather became so bad that, from Wanda, the whole area of Cronulla Beach disappeared. Doug Keen's weekly awards kept all members of the squad on their

toes. The overnight camp at Narrabeen displayed just how close the members of this squad are with the activities on the Sunday incorporating trust leaving many a member of the squad with a fond, but very funny memory. As well, the ability to work together as a team is to be greatly admired with this young group of people.

Many thanks need to be noted for season 2014. Our trainers, Ben Artup and Nathan Johnson spent many hours preparing for each session and their professionalism is greatly welcomed. Our trainer Peter Roughley assisted many officials with the care required to look after their niggles and to prepare for the weekend games. The Executive of the New South Wales Rugby League Referees' Association continues to support our squad year to year and under the leadership of Paul Simpkins this trend has not changed. Special thanks must go to Cathy Crowe for the countless hours spent in assisting not only the squad but also the care given to all members of the coaching staff.

As well, Tony Danks' continued leadership helps this squad to maintain its most basic goal and that is to develop as officials to the best of each person's ability. He has been well supported in his role with his close associations with both Steve Clark and Doug Keen. To all of the assessors who have assisted this squad, your experience and ability to better the members of this squad are to be admired. Special thanks also to Peter Filmer and Phil Cooley in their roles as the Graded Squad coaches and the time they have actively spent with members of the squad. Also a special thanks to Bill Harrigan who continues to work productively with the squad at training sessions as well as assessing and to Jared Maxwell in his "high performance" role for assisting so many an official. Finally, thanks to Steve Clapson, Bryan Gilchrist and Tony De Las Heras who have given so much of their time and expertise as assistant coaches.

# **MICK LEWIS**

Their attention to detail can never be overlooked as well as their dedication. Their ability to work together in our coaching team underlines why so many of our squad members surpass their initial season goals. Their friendship, loyalty, trust and amazing ability to coach can never be overlooked. A massive vote of thanks!

Congratulations to the squad for 2014 and best wishes in preparation for season 2015.....a season that will approach very quickly without too much notice at all.

# NRAS STATE MANAGER'S REPORT

**DOUG KEEN** 

A busy year for NRAS in 2014 with a lot of changes that included the Level 2 Course going on Line for the first time, together with full on line referee registrations, course management and administration.

Thanks to all the Association Providers who supported our endeavours, courses and updates as they were scheduled.

DURING THE YEAR WE
CONDUCTED 8 COURSES AND
UPDATES, WITH APPROXIMATELY
150 PARTICIPANTS IN TOTAL FOR
THE YEAR.

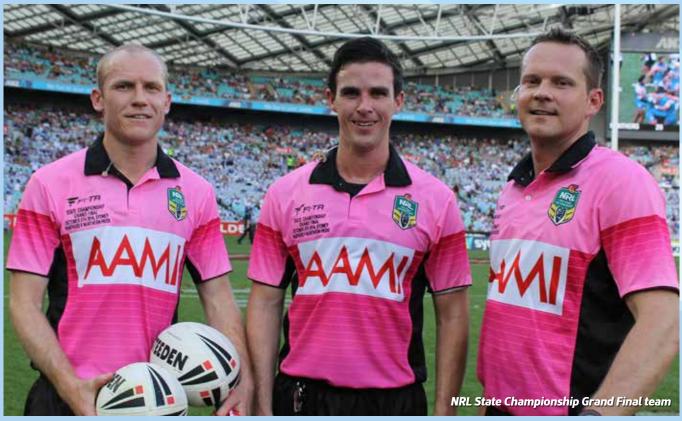

There has been plenty of liaising and communication with the Local Districts and I appreciate their input for the education and betterment of our referees. During the year we conducted 8 courses and updates, with approximately 150 participants in total for the year.

Level 3 applications were up on the previous year which was pleasing as it is a good tool for retention and recognition for our referees

A record 27 participants were trained as Providers in May this year, for the new On Line course management system.

There is still plenty to do be completed in the future and to those involved I say thanks for your support.

# THE NSWRLRA 300 CLUB

During 2012 the then Chairman, Chris Ward put a proposal to the Board of Directors that a 300 club be established to honour those referees who were members of the NSWRLRA Inc. and had officiated in First Grade fixtures or the equivalent for a minimum of 300 Games as a Central Referee, Touch Judge, In-Goal Judge and/or Video Referee in any one or a number of combinations. The Board supported the proposal at the time and in 2013 it became a reality. Seventeen former Graded referees were inducted into the Club at the Seniors Life Members' Luncheon held at the NSW Leagues Club on the 28th September together with the recognition of another five who remain active and will be honoured with a similar presentation when their careers conclude.

Moved I.McCall, Seconded P.Ryan Carried

#### ANNUAL REPORT

Chairman called on G.McCallum to move the adoption of the Report. Greg spoke on the clarity of the Report, its inclusiveness, the lack of Appendices as in 2012 and the feeling of a settled year with new directions that it conveyed.

He congratulated Michael Stone on the leadership he gave to the Association to bring it back on track and also congratulated Tony De Las Heras on the manner in which he carried out his duties as Director of Coaching and Development with particular emphasis on the hours he injected into the Sydney City Club Competition. He congratulated those involved in the preparation of the Annual Report, particularly James Vella, Frank Leonard and George Jankowski and expressed the opinion that it was one of the best yet produced.

The Chairman called upon C.James to second the adoption. Chris said it was an honour to be invited to second the adoption. He said he was a proud member of the Association , a dream he developed as an adolescent when watching Rugby League and the referees involved at the time. Chris said it is now an honour to be associated with those former Graded referees. He said he felt that in 2012 the Association had lost its way but, under the leadership of M.Stone the ship had been righted. He said he felt the 106th Annual report to be a fantastic, positive document. He said he was also very pleased to support the comments made by G.McCallum who has been a great servant to the game and thanked him for that.

ADOPTION OF ANNUAL REPORT. Moved G.McCallum, seconded C.James. Carried.

#### FINANCIAL REPORT

The Chairman called on Bryan Gilchrist to move the adoption of the Financial Report. Bryan said that 2013 had been a season of great change with a reduction of 63% in the funding available to the Association due to the change in the management of Referee Coaching & Development implemented by the NSWRL towards the end of 2012. This was a massive cut. The second change was the manner of presentation of the Financial Statement. Because of the 63% cut in finding the Association moved from a Tier 1 to a Tier 2 Association under the 2009 Incorporated Associations Act that requires far less detail than in the previous two years.

The \$21,000 loss was due, largely, to the 8% cut in funding by the NRL. It is of concern and will be addressed. At the same time, while the loss was incurred, the current bank balance is \$63,000 and this compares with \$45,000 at the same time in 2012. As one very involved with a District Affiliate Bryan said he recognised the 3% increase in Grants to Associations made in 2013, the largest increase for a number of years and supports the major focus of the NSWRLRAInc., which is the Coaching and Development of referees. Bryan thanked J.Oliveira for his untiring efforts and support for District Associations saying he has the interest of their members at heart. Bryan also thanked S.Betts and P.Filmer for their work as Internal Auditors.

The Chairman called on M.Dunn to second the adoption of the Report. Max said it was a credit to the Director of Finance and the Board that the Association was able to get through 2013 given the funding changes that had occurred.

S.Betts asked J.Oliveira where the extra \$2000 had come from under "Grants". It was explained that it was a donation secured for the Association from the Anzac Club, Marrickville by P.Cooley.

Adoption of the Report. Moved B.Gilchrist, Seconded M.Dunn. Carried.

#### **ELECTION OF OFFICE BEARERS**

All positions declared vacant. D.Wintin nominated by B.Gately as Returning Officer, Seconded G.McCallum. Carried.

#### PATRONS

The outgoing Chairman, Michael Stone declared the Chairmanship of the meeting was now in the hands of the newly elected Chairman, Paul Simpkins.

P.Simpkins acknowledged the contributions made by previous Chairmen and said he was proud to be the Association's Chairman. He said that Rugby League and refereeing was changing and given the anticipated structural change the timing of his election was appropriate. He said his goal was to bring people together and the return of some who had walked away from the Association. He said that the Association needs to be relevant. 2012 had been spoken about during the meeting. "There is always an elephant in the room and in my attempt to bring people back referees have to learn to like each other more. The Association's goals will be what I try to convey to the Board and the membership....friendship, unity, utilization of skills and to guide, mentor and assess referees throughout their careers. I want to try to bring the older boys back and set them as role models to the younger referees. Support is a key and common purpose."

#### **REPORTS**

William Drury (CRLRA Chairman) congratulated P.Simpkins on his election to Chairman and M.Stone on the leadership provided during 2013. He said that there had been changes to the Executive of the CRLRA where he replaced Graeme Turnbull and Kevin Rayment had replaced Kevin Riolo as Secretary.

A Strategic Management Plan had been developed early in 2013 and this provided the blue print for the go forward in 2013. The major aim is to develop referees so that they can proceed through the recognized pathways. He said he looked forward to working with the new Board of the NSWRLRA Inc. in 2014.

Dennis Spagarino (Chairman of the ARLRA). Dennis congratulated P. Simpkins on his election to Chairman. He said that 2013 had been a difficult year for the ARLRA which received no funding and survived the best way it could. He said the Board was still attempting to establish a position where the ARLRA could contribute to the game in the future, but awaiting an announcement on a restructure.

Meeting with T.Greenberg on the 12th December attempting to ensure that referees are represented at the highest level of the game. He said there was a need for support to ensure that referees had a voice in the future of the game.

B.Cummins (International Referee of the Year, 2012-13). Ben, recently returned from the World Cup in Great Britain, made a comparison between the game there and in Australia. He said there is more money in the game in Australia and the style of football played in the U.K is more open with less emphasis on defence. He said that players are very relaxed with the media whereas, in Australia, they tend to be very guarded and this led to great enjoyment of the trip. He said that one of his personal goals in 2013 was to be in the World Cup Squad and he highly recommended that any of the Graded referees should consider a trip to referee over there.

#### **HONORARY ASSOCIATE MEMBER FOR LIFE**

The Chairman stated that L.Bugden had moved at the Board Meeting of the 2nd November that Mr Geoff Carr, retiring CEO of the NSWRL be considered for the award of Honorary Associate Member for Life of the Association. L.Bugden was called upon to support the nomination and it was seconded by Ziggy Przeklasa-Adamski. A Secret Ballot was conducted resulting in Geoff Carr attaining 75% of the votes required.

B.Gately moved that Ballot Papers be destroyed, seconded B.Ruttle. Carried.
