PATRON'S REPORT DOUG WINTIN & IAN McCALL

Firstly, might we thank the members of the Association for electing us to the position of Patrons for 2015 and in turn take the opportunity to thank the Board for supporting those initiatives which recognise those long time contributors. Such functions as the recent Life Members Reunion luncheon where we were royally entertained by Steve Edge, the Lawn Bowls Day and the luncheon for the spouses of past members are greatly appreciated. Congratulations also to the Board for the celebration of the Anzac Day Centenary and in recognising those Association members, both past and present, that served in the Armed Forces.

For those of us from the old school, we do have difficulties coming to terms with the massive changes in the game. The contest of strength seems to now well outweigh the skills. From a refereeing view point, it is disappointing to see the substantial and ongoing drop in the number of players involved at Junior League and Group levels, the massive turnover in refereeing numbers, lack of interest by adults to take up refereeing, the difficulties in gaining new candidates to fill the Executive roles in District Associations and the continuous rule changes and non application of basic rules to satisfy the whims of the media and coaches.

It was somewhat bemusing to see the NRL successfully negotiate substantial funding increases for coming seasons, yet at the same time seek the NSWRL and in turn as a consequence our Association, to implement a 5% reduction in running costs for 2016. Every effort needs to be made to retain the expertise that this Association has provided to the game of Rugby League in supplying the quality of candidates for the elite competition. It is obvious that the game in Queensland is showing the way of success and the NSWRL through the NRL needs to take a leaf out of their book.

The more recent change of venue, with ample parking, hopefully will encourage greater Association Meeting attendances. Congratulations are extended to those members involved in CONGRATULATIONS TO THE
BOARD FOR THE CELEBRATION

State of Origin fixtures, Semis, Finals and Grand Final appointments and for the professionalism shown in the control of those games. Congratulations also to those District members elevated to NSW Association status during 2015.

To the Board members, we express our thanks for your many hours of dedicated service and in particular for your strong representations on our behalf to both the NSWRL and NRL throughout the season. Thanks also to the various Committees and the Coaches for your contribution to what has been a very successful year.

We wish you all a pleasant, although brief break from the game and a prosperous festive season. Train hard and "bunker down" for what will no doubt be yet another interesting season ahead.

CHAIRMAN'S REPORT PAUL SIMPKINS

Once again it has been an honor and pleasure to serve you in the role of Chairman of the NSWRLRA.

We have faced many challenges this year and expect this will continue until the Leagues agree on a format of running all competitions. We understand that in 2017 and beyond significant changes will take place. Our challenge is to ensure the NSWRLRA is in a position to continue its work as it has done for the past 108 years. The Board has begun to make some changes in anticipation.

The reduced size of the Board was both a financial and strategic decision. Roles and functions were looked at and, given the cross over in responsibilities, the decision was taken to remove two Director roles and realign responsibilities which still reflect our direction outlined in the Strategic Management Plan. These Directors will be responsible for greater liaison with the refereeing units of the NRL and NSWRL to achieve our goals.

It is proposed that the Association will have a greater hands on role in combined competitions and Junior development. It is the Board's position that this area of the game currently requires the greater assistance. There is money being spent at the elite level of refereeing and many of our members are recipients of this expenditure. Whilst we support money coming into refereeing and addressing the needs of today we still need to be conscious that we are also looking after our Junior development all the way down to the grass roots to ensure the elite ranks can continue to be filled by quality referees into the future. We will continue to work with the NSWRL and NRL units to ensure we advocate for the referees looking for a pathway in the game.

The Board has worked very closely with the management of both the NSWRL and NRL to ensure we continue down a path that will serve both Leagues. David Trodden and his team have again kept the Association well informed of matters involving referees. At the time of writing we still hold some hope for a fee increase for next season following negotiations this year. I am sure with continued communication and delivery of some efficiencies we will be in a strong position to advance these matters in the seasons ahead. I thank Dave Trodden and his team on behalf of the Board for their continued support of the Association and its objectives.

Relationships with the NRL continued to strengthen this year. Todd Greenberg and Tony Archer made themselves available for meetings to discuss the Associations future. They also delivered a presentation to our September meeting which was received well. The art of producing sport as an entertainment product is not an easy one. The presentation explained the need for data to argue a position on fact not opinion. On behalf of the Association I thank both Todd and Tony for taking the time to educate our members on initiatives being developed at the NRL.

To all our members who participated in Representative games, Finals and Grand Finals, congratulations. All of these members are acknowledged individually in this Annual Report. To all active members' as I stated in a "Chairman's Chat" letter earlier in the year, "If you prepared well, trained well and gave your best all season you have reason to be proud of yourself no matter what the outcome".

Thank you to all the Coaches, Match Day Assessors and Mentors who are doing their best to help educate and support

our active referees. This is a tough sport and our active guys need support as they find their way through their careers.

To our Affiliates thank you for your hard work in producing referees for the future of the game, enjoyment and participation in the sport. Whilst there have been some behavioral issues in the Districts towards referees it is now a matter that is high on the NSWRL agenda. The NSWRLRA continue to assist in many of these matters and are working with the NSWRL to seek some solutions. The NSWRLRA will be working closely with the District Associations next year on a number of initiatives some of which have been budgeted for in 2016.

To the Board of the NSWRLRA I thank you all for your service to the Association this year. It is clear with a reduction in the number of Directors next season we will see a change of personnel on the Board. To those who depart thank you for your time and effort to advance the Association's objectives. I continue to urge members to get involved in assisting the Board on committees with a view to succeeding Board members as the year's progress. I spoke at a General Meeting this year in relation to succession planning. We need people willing to put their hand up and take on the challenge of committees and Directorships..

To all of our members, families, friends, partners and other significant people in our lives thank you all for allowing our members to contribute to the greatest game of all.

Enjoy the off season, have a Merry Christmas and I look forward to your company again in 2016.

EXECUTIVE OFFICER'S REPORT

As an adolescent, the American President, John F Kennedy became a role model for me and I can remember exactly where I was when I heard that he had been assassinated.

Kennedy said many things that I took on board as possible philosophies for living. One of them was "Change is the law of life. And those who look only to the past or present are certain to miss the future." A second was "My fellow Americans, ask not what your country can do for you but what you can do for your country". Both expressions appear to be very relevant to the membership of our Association at this very moment and to the conduct of our game.

In a recent address from Todd Greenberg, Head of Football Operations at the NRL and Tony Archer, the NRL Referees Elite Performance Manager, Association members were given a great insight into what the ARLC through the NRL is attempting to provide through its BLUEPRINT for our members officiating in the NRL. It consists of World Class Pathways and Structures for referees, to improve the performance of referees through the development of a Central Command Centre which focuses on Accuracy in Decision making, Efficiency in decision making, Consistency in Decision Making and Transparency in Decision making. Improvements in these areas will ensure an increase in the speed of our game, the amount of time the ball is in play, lessen the time taken to make Video Decisions and the fine-tuning of the statistical analysis applied to the performance of all the officials in every game played each week-end, throughout the season. As you can imagine there has been a significant amount of funding allocated to try to achieve these goals. To the extent that finance allows, for the NSWRL is dependent on the ARLC for its funding, some of the changes made at the NRL level have been adopted for use with the NSWRLRA Grade Squad and I refer to the Prozone system of statistical analysis now applied to NSW Cup referees and Touch Judges, monthly DVD Review Sessions. Through the work of Paul Kalina, our Affiliated Associations share the DVD resources through a sophisticated electronic distribution system. In 2016 there will be further attempts made to emulate what is occurring at the elite level within the Graded Squad and District Associations.

Following the research undertaken by Shane Richardson, change is also guaranteed to the composition and structure of the competitions that NSWRLRA Active referees will be officiating. Whilst all the changes under review may not be implemented in 2016 they will certainly be in place in 2017. There are changes rumoured for the administration of referees such that it will be nationally controlled with a National Director of referees to be appointed who will work with and co-operate with the States. At the same time it has been stated that the referees will be drawn from an expanded pool of recruits direct from the Affiliated Associations and could also include former players from the NYC when it becomes defunct in 2017. These referees will be fast-tracked along the pathway to the NRL.

Change may also come to the structure of the Board of the NSWRLRA seeking to improve its effectiveness, efficiency and reduce the cost of its conduct. What is required to compensate for this is, as John F.Kennedy would have appreciated, that more of the membership nominate for Sub-Committees that will be called upon to take on some of the roles previously carried out by individual Directors or a group of Directors that sometimes resulted in the outcomes not quite meeting the standard expected, muddied and sometimes muddled communication in the pursuit of outcomes and some embarrassment for the Board when important steps or procedures were overlooked.

2015 has seen other changes occur arising from decisions of the Board of Directors and by the NSWRL. These have included:

 A tightening of the criteria for District Associations that determines their eligibility for Administration and Coaching and Development Grants and more detailed analysis of the Invoices submitted for the Grants.

"CHANGE IS THE LAW OF LIFE. AND THOSE WHO LOOK ONLY TO THE PAST OR PRESENT ARE CERTAIN TO MISS THE FUTURE"

- JOHN F KENNEDY

- The appointment of six Specialist Touch Judges drawn from the Affiliated Associations.
- A revision of Pillar 3 in the Strategic Management Plan which relates to Coaching and Development arising from the resumption of control of the appointment of Coaches and the financing of Coaching and Development by the NSWRL.
- A move from Sports House in Figtree Drive, Sydney Olympic Park to Quad House following the sale of the Figtree Avenue building. This move made the conduct of Association Meetings more difficult due to parking and security changes leading to Canterbury League Club, through the Club Chairman and his Board, George Peponis, agreeing to make accommodation available for five meetings within a year at no charge.
- Closer liaison with the NRL Coaches largely through the efforts of the Association Chairman, Paul Simpkins and Director of Referee Development, Matt Hewitt.
- Increased visits to Affiliated Association Training Sessions and Meetings where Director of Affiliate Liaison, Doug Keen, was very active and well supported by Matt Hewitt.

FRANK LEONARD

- Greater austerity in the management of the Association's finances allowing for participation in a Referee Exchange with Melbourne and Darwin, the purchase of three rowing machines for Graded Squad training purposes and the installation of a new Web-Site.
- The Annual NSWRL-NSWRLRA Conference reduced from two days to one.
- Social Days for Referees increased to include a Touch Football Competition as well as Cricket, Bowls and Golf Days,
- Emerging Talent Squad established by the NRL having combined Training Session with the Junior Representative Squad.
- Association Records now stored at Kennards in Homebush.
- Admission of New Zealand referees officiating in the NRL and NSW Cup competitions as Honorary members and striking an annual fee for them.
- A Welfare Programme and protocols established with a Spreadsheet set up to record welfare visits/issues.

REFEREE MOVEMENTS

Taylor Deland-Cleveland, Damien Simes and Matthew Treneman were promoted from the Junior Representative Squad into the Graded Squad at the beginning of the Season while Adam Cassidy and Chris Treneman joined the Emerging Talent Squad within the NRL set up. During the year six specialist Touch Judges from District Associations were appointed to the Graded Squad as listed above. Unfortunately, Anthony Grady (Illawarra) and Lachlan Wild (Canberra) withdrew from the Junior Representative Squad and refereeing generally while Scott Sheppard resigned in June but rejoined the Graded Squad some three months later. Scott again resigned in August.

CONGRATULATIONS

To the team of Gerard Sutton, Ben Cummins, Brett Suttor and Nick Beashel who completed the Grand Slam by officiating all three State of Origin Matches and almost added to that with a further appointment to the NRL Grand Final, Nick being replaced by Steve Carrall as a Touch Judge and to all members of the NSWRLRA appointed to Representative fixtures and the Final Series, a full summary of which can be found on Pages 42-44 inclusive in this Report.

The Association congratulates the North Queensland Cowboys on their Premiership win but you cannot ignore the Broncos on being part of one of the greatest and closely contested Grand Finals seen for a very long time, a game that saw limited intrusion from the referees and a fairytale ending that will be remembered and spoken about for years to come. We also congratulate the Newcastle Knights on their win in the NSW Cup, defeating Wyong, The Mounties win over Asquith in the Ron Massey Cup and Wentworthville's win over Hills District Blues in the Sydney Shield competition. In all three games our referees performed admirably especially the team of Liam Nicholls, Jay Farlow, Michael Laverty, Phil Cooley and Sean Hampstead in the NSW Cup.

To all referees from our fifteen Affiliate Associations who were appointed to District Finals, Grand Finals and Representative fixtures throughout the year the Association extends its sincere congratulations and trust that you will return to further contribute to this great game in 2016. At the same time we recognise all those referees officiating in their first or second years and the "tradesmen" from each Association who hold the Associations together. Thank you for your efforts in 2015 and we trust that you will return in 2016 also.

LIFE MEMBERSHIP NOMINATIONS, 2015

The following nominations were received for Life Membership for 2015. Sean Hampstead who withdrew two days later, David Jay, Merv Edwards and Tony De Las Heras. The Board decided at its

September meeting that none of the latter three met the criteria for Life membership so there will be no names going forward for consideration by the membership at The Annual General Meeting.

HONOURS

The Legends Trophy was awarded to Gerard Sutton and Ben Cummins. The Bill Harrigan Trophy awarded to the referee of the NSW Cup Grand Final went for the successive year to Liam Nicholls. The Col Pearce Medal for the Referee of the Year in the NRL Squad as determined by his peers was awarded to Gerard Sutton. The NRL Touch Judge of the Year was presented to Brett Suttor. The Michael Stone Medal for the Referees' referee as elected by the Graded Squad at the end of the season was awarded to Liam Nicholls (Illawarra). The Frank Walsh Trophy awarded to the referee of the S.G.Ball Final went to Martin Jones (Canberra) The Michael Ryan Medal, presented to a Junior Representative Squad member as determined through a ballot by his peers as the Referees' referee was awarded to Daniel Luttringer (Parramatta). The Les Matthews Rookie of the Year Award was awarded jointly to Michael Smaill (University Cup) and Jake Edwards (Central Coast). The Kevin Jeffes Trophy for the Most Improved Referee in the Junior Representative Squad went to Jo West (Canberra). The Jack O'Sullivan Trophy presented to a Level 1 Referee officiating at The All Schools' Carnival, Primary Section, was awarded to Elyssia Higgins (Balmain).

The George and Amy Hansen Trophy decided through a ballot by members of the Board was awarded to Michael Lewis. The Eric Cox Medal, awarded to a Life member who continues to serve the Association was won by Doug Wintin.

The Dennis Braybrook Award for contribution to Coaching and Development of referees in the Affiliated Associations was won by Paul Tape from the St. George Association. The Les Matthews Trophy for Volunteer of the Year awarded to a member of an Affiliated Association went to Russell Stevens of the Cronulla-Sutherland Association.

THANK YOU

Given the emphasis placed on the concept of the League Family by the NRL in its Strategic Management Plan thanks must be extended to the ARLC, The NRL Executive and its many staff members who assist our Association throughout the year and who provide the funding that allows us to exist, to operate and to strive for improvement, especially in the areas of recruitment, retention and Coaching and Development of referees whom we hope will progress and be welcomed into the NRL ranks.

We especially appreciate the efforts of our Nuclear Family, the NSWRL and the support and encouragement it offers to the Board and the referees officiating in NSW Rugby League controlled competitions. It would be remiss of me not to mention the great support we have experienced in 2015 from George Peponis, Dave Trodden, David Nissen, BJ Mather, Jo Farr, The Events Team, Tony Danks, Doug Keen and Cathy Crowe.

EXECUTIVE OFFICER'S REPORT

CONTINUED

DEBT OF GRATITUDE

The leadership of the NSWRLRA Inc. is not a one man band but there is a feeling that its efficiency might be improved through trimming the number of Directors from seven to five through the amalgamation of the Director of Member Services and Director of Marketing and Communication Roles and the amalgamation of the Director of Coaching and Development and the Director of Affiliate Liaison. This was the subject of a Special Resolution debated at an Extraordinary General Meeting on the 19th October and carried.

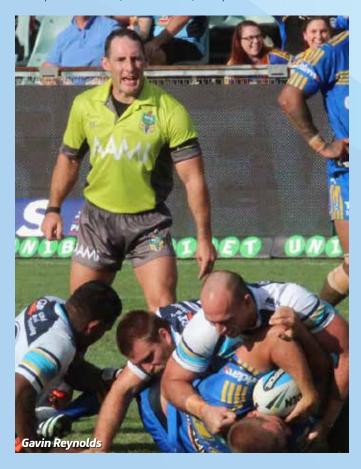

ASSOCIATION MEMBERS WERE GIVEN A GREAT INSIGHT INTO WHAT THE ARLC THROUGH THE NRL IS ATTEMPTING TO PROVIDE THROUGH ITS BLUEPRINT FOR OUR MEMBERS OFFICIATING IN THE NRL.

Whatever the outcome I wish to express my gratitude to all six Directors with whom I have worked in 2015. There have been some very good things initiated and managed and, yes, some things we have done could have been done better but those reading this Report need to be reminded that we are all volunteers and, with the exception of myself, all are working in a society and culture and an economic environment that demands more of its employers than in the past and where, in most cases, both partners work and there

are families involved and to be considered.

For this reason I thank my very supportive wife Marie, for her tolerance, encouragement and understanding of the time and travel that is required to devote to the position of Executive Officer if I am to meet the expectations of the Membership and the Game's Administrators. We both extend our best wishes to all those who choose to read this Report, expressing the desire to continue to serve the Association but, perhaps it is time for change of some personnel on the current Board, including myself, for as our new Prime Minister, Malcolm Turnbull said "One of the great challenges for any leader is to ensure that there is renewal. That in any organisation – we are able to bring up new talent, new faces, into leadership positions over time and that often means and that invariably means in fact that very capable people have to move on, stand aside so that others can come through," Mr Turnbull said. "And that's tough, for everybody concerned."

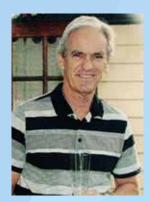

NOEL McALISTER

Noel McAlister was graded from the Penrith District in 1973 and has the grade number of 636, he retired from Grade in 1976.

Noel joined the Penrith Association in 1972 and at the time he was only the 6th member from the Penrith District to achieve this prestigious feat.

Prior to joining the Penrith Association, Noel was a member of Group 10. For several years, Noel and his colleague Brian Warren attended our Association meetings while Jack Harris and Len Manuel would travel to Bathurst to attend Group 10 meetings on behalf of Penrith Referee's.

Noel resided in Katoomba for many years but in recent times had moved to the Central Coast.

STEPHEN NASH

Steve Nash was graded in 1977, his grade Number is 672. He officiated 275 first grade games – 3 as a referee, 210 as a Touch Judge and 62 as a Video Referee.

His representative career as a Touch Judge included three State of Origin matches in the 1998 to 2000 and Test Matches in 1998 and 2000. First Grade Debut in Round 11, 1979 as a Touch Judge he then officiated "in the middle" of three NSWRL first-grade fixtures during the 1984 season.

He retired for a number of years before returning to the touch line during the 1997 Super League season.

Steve was awarded NRL number 15 after running in the first Round of the 1998 NRL competition.

After being actively involved for another seven seasons Steve retired from on-field duties at the end of the 2004 NRL competition.

In 2005, 2006 and 2007 Steve was a member of the NRL Video Referees group. During this period he also filled the role of NRL Touch Judge coach. In 2006 he was also awarded the 'Clubman of the Year' to acknowledge his contribution to the squad. Steve is also a Life Member of the South Sydney Referees Association.

RAY WARNER

Ray Warner passed away on Monday the 21st of September 2015 from the ravages of cancer. Ray was Graded in 1969 and he has the NSWRLRA Grade number of 613. Ray made his First Grade debut in 1970 in round 17. In 1971 Ray Touch Judged the First Grade Semi Final between St George and Parramatta. In 1973 he was appointed to City v Country.

He Touch Judged a total of 88 NSWRL First Grade games, including the 1974 Grand Final. Ray's last game was in round 13 in 1975. Ray was a regular attender of the NSWRLRA Life Members Reunion Lunch. Ray worked for Classic clothing manufacturers and looked after the ARLRA and NSWRLRA from time to time. He was a member of the Parramatta DRLRA.

DIRECTOR OF FINANCE REPORT

I present for your adoption the audited Profit and Loss Statement plus Balance Sheet for the year ended October 31, 2015. This year, the end of our Financial Year date was changed to match the NSW Rugby League's end of Financial Year as requested by David Nissen their General Manager of Shared Services. The 2014-15 financials cover a thirteen month period as a result of this change.

The Association received funding for all our operations as outlined in our 2015-2019 Strategic Management Plan (SMP) through a Grant of \$205,001 provided by the NSWRL and the Board has endeavoured to focus the majority of spending on Referees Coaching and Development as usual.

The Association continues to assist our Affiliates with Grant funding and we understand the challenges being experienced by some who struggle to attract partnership/sponsorship dollars. In 2015, for the fourth consecutive season, the two Affiliated Association Grants namely, the Administration and Coaching and Development Grants were made available to all our qualifying Affiliates earlier than ever before on Monday February 23, 2015, the day after our Affiliated Districts Conference where our Affiliated Director's attendance is a requirement in order for our Affiliates Grants to be paid.

Thanks to David Nissen of the NSWRL for the prompt payment of our three Grant Instalment Invoices during 2015 which provided the cash flow to fund our referee Coaching and Development programs plus Affiliated Grants and Strategic Management Plan initiatives, in a timely manner, throughout the season.

The Association had an operating profit of \$10,020 for the year ended October 31, 2015. This is a good result and equates to a 4.89% saving of our total grant funding, reflecting the efficiency savings measures taken to achieve this result during season 2015. We made good savings in Social and Association Squad Functions which accounts for the surplus. While the increase in Administration costs resulted from the one off upgrade fee for our website plus increases in Administration expense items like, internet, telephone and travel allowances; the reduction in size of our Board from seven to five members in 2016, will result in a reduction in our Administration costs and increase our efficiency.

Selected Junior Representative Development Squad members were funded to referee in the QRL's Cyril Connell and Mal Meninga Cup competitions, the equivalent of NSWRL's Harold Mathews and SG Ball Cup competitions. The Association also funded a Referee Exchange Program in partnership with the NRL for Referees and Coaches travelling to Darwin and Melbourne plus the School Boy Carnival at Saint Marys where we traditionally host and fund accommodation for two New Zealand Referees and a Coach to attend and participate.

The 3% CPI increase obtained in 2013 for the first time in over twelve years, for all of our Affiliated Association Grants was again maintained in 2015 when our Grants were made available on February 23, 2015 prior to our Affiliates season kick offs. Administration Grants of \$1545 were provided to all our Affiliates who, attended the Affiliated Districts Conference and had entered all their members correctly in the NRL League-Net Database, to assist with some of their administration expenses.

Coaching and Development (C&D) Grants were also made available to our Affiliated Associations earlier than in previous

years commencing on February 23, 2015 too. Full Affiliates of the NSWRLRA received \$3605 and Dual Affiliates were granted \$1545. Changes to the approved items for Coaching and Development spending criteria made by new Director of Referees Development, Mr Matt Hewitt, resulted in some Affiliates receiving a reduction in their Coaching and Development Grants in 2015.

I have continued to assist District Associations to secure partnership agreements with 'The Good Guys' who have a vision for a state-wide partnership with all District Referees' Associations in NSW. Starting in 2013, 'The Good Guys' were sponsoring four District Referee Associations, namely Central Coast, Group 6 and Wests and Newcastle Referees with the option to extending beyond the end of these terms.

In 2014 three more Associations namely, Parramatta, St

George and University Cup Referees Associations all secured three year back of jersey partnerships, while Newcastle Referees negotiated a three year extension to their deal. In 2015 Wests and Group 6 Referees negotiated to extended their deals indefinitely in to the future for a total of \$169,500+ in partnership agreements currently in place with twelve of twenty-eight 'The Good Guys' stores in NSW partnering with seven District Referees Association in 2015.

Thanks to Neale Genge of Newcastle Referees for making us aware of this opportunity. Ray Dwyer of Group 6 Referees deserves recognition for assisting me with two presentations to 'The Good Guys' State Conferences in November 2012 and May 2013 plus conducting negotiations in 2015 for partnership agreements that extend indefinitely into the future, all of which have proved important in achieving the current \$169,500+ in partnership agreements now in place for District Associations.

The 2015 Workplace Relations Committee members Matt Damaso, Brendan Lucas and I were endorsed by the Board on January 29, 2015 and within twenty-six days we completed and submitted the 2015-2019 Memorandum of Understanding (MOU) pay agreement to the NSWRL, on February 24, 2015. The MOU contained annual CPI increases in accordance with the NSWRLRA 2015-2019 Strategic Management Plan's objectives, key initiatives and measures. We focused on a whole of game approach as advised by Greg Pollard of the NSWRL and incorporated all of our member's feedback relating to their fees, pay and work conditions in the MOU document.

Unfortunately, the new management at the NSWRL advised us that February was no longer a suitable month for the submission

and negotiation of our new MOU despite our successful February 2011 and 2012 MOU negotiations. As a result of this change no pay increase was possible for our members in 2015.

The NSWRL advised us the landscape of the game is changing so an MOU beyond 2017 was not desired and requested that we conduct a National parity of referee fees exercise and submit it as a supporting document to our next MOU. The Workplace Relations Committee completed the National parity of fees and submitted our revised 2016-17 MOU document to the NSWRL in August 2015. We were recently advised that a fees increase may be provided to our members in 2016 and beyond.

Thank you very much to all our Trainers and Masseurs on behalf of all the Active Referees. John McCormack, our Director of Rubbers, myself, and the Association all appreciate your professionalism and great assistance on game days and at training sessions throughout the season. I was proud to secure a 30% increase for our trainer fees in 2013 to better align their pay to their NRL appointments and this fee increase remained unchanged in 2015.

During 2015 the NSWRL advised us they are required to make 5% efficiency saving across the game in their 2015-16 financial year and we were asked to do the same We have been active in doing this by cutting spending on, meals at Board meetings, no longer catering for General Meetings, tightening C&D Grant funding by changing the items which satisfy our C&D Grant audited spending criteria and reducing the size of our Board from seven to five members for season 2016 and beyond.

Apparently we are set to receive a reduction of funds for season 2016 operations. This is undesirable but not something new. In 2013 we received a significant reduction of 63% = \$252,894 and I managed to navigate us through a precarious season so I'm confident we can do it again in 2016.

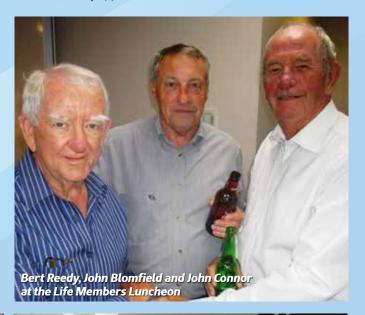

I would like to acknowledge and thank the following people for their support throughout 2015

- The NSW Cup Graded Squad and Management
- · Chief Operating Officer of the NRL, Mr Nathan McGuirk

CHEK K HUON HONORARY AUDITOR 11th November, 2015

DIRECTOR OF REFEREE DEVELOPMENT REPORT

MATTHEW HEWITT

The Coaching & Development of referees is the most important purpose we have as an Association, whether that be new referees taking their first steps in our Junior ranks or to assisting our Graded members' performances.

Throughout the season Doug Keen and Tattended the training and skill sessions conducted by the majority of our Affiliates. Overall, we thought that the work being performed within the Districts was of a good standard, particularly those Districts that had a current NRL squad member involved.

These training sessions are important in the development of referees. Whilst I have first-hand knowledge of the difficulties in attracting numbers to these sessions, all of our Affiliates must make training and skills sessions a priority.

At the NSWRL/NSWRLRA Seminar held in February, I made it clear to our Affiliates we would engage in greater scrutiny of

AS AN ORGANISATION WE HAVE TO CONTINUE TO DEVELOP REFEREES FOR THE VARIOUS COMPETITIONS CONTROLLED BY THE NSWRL AND ASSIST OUR AFFILIATES WHEREVER POSSIBLE

the Coaching and Development Grants applications. We receive funds from the NSWRL on the basis that we spend it responsibly. Affiliates cannot expect to receive funds for Coaching and Development if they are not dedicating their own funds for this purpose and adhering to the criteria that is set.

I want to thank the Junior Representative Coaching panel of Tony De La Heras, Bryan Gilchrist and Steve Clapson for the work they performed this season. The coaching of referees in this Squad is pivotal for the recruitment of referees required in higher grades. Steve and Tony spent many weekends in various Districts evaluating Squad members' performances after the representative season had concluded.

At Steve Clapson's request we employed the services of a professional cameraman to video referees rather than the games they were officiating in. Steve reported this initiative to be a great success as the referees involved made significant improvements in their performance. We look forward to having this initiative continue next season.

At the NSWRL Graded level significant changes were made to the evaluation of referees. The NSWRL introduced the evaluation system used by the NRL for matches played in the NSW Cup. I congratulate the management and referees' coaching staff of the NSWRL for making this decision. It is essential for the progress of our referees in our Senior Grade to be evaluated in the same way as referees in the NYC & NRL competitions.

Whilst this system has increased the workload of our Match Day Evaluators, this forensic review of matches is expected at the NYC & NRL level. There is nothing new in greater scrutiny being applied at the top level of the game. I believe that exposing our members to this level of review will assist in their transition to the NYC & NRL. The basic principles of evaluation and review of matches does not change under this system. As an Association we will continue to support this system.

Through a great deal of work from Paul Kalina the NSWRL now has statistics on referee performance recorded that it did not have access to previously. The NSWRL can now more

accurately measure the performance of their officials. This data must now be used in the coaching of our officials. Paul has also assisted in making video clips from matches played in the NSWRL competitions available on the Internet for our Affiliates to use in their Coaching and Development programmes.

In what I considered a highlight of the season was the movement of our members to NYC matches. Most of our matches are played at suburban grounds with little atmosphere. To have our members officiate at the major grounds prior to First Grade was a great initiative and something our older members just took for granted. I congratulate Tony Danks & Tony Archer for allowing this to occur.

I would like to acknowledge the work of Peter Filmer, Phil Cooley and Michael Lewis as Coaches of the NSWRL Graded Squad. I was involved with these members as both a Board member and an Evaluator. They are committed and dedicated to their roles and give valuable coaching to our active members.

To our Graded and Junior Representative Squad members who achieved major appointments this year, congratulations. It is a reward for your hard work and another step in your respective careers. To those members who did not achieve major appointments this season don't let that blunt your ambitions. Acknowledge that these appointments are difficult to achieve and continue to work hard.

In closing, my first year on the Board has been challenging but in the most part, enjoyable. As an organisation we have to continue to develop referees for the various competitions controlled by the NSWRL and assist our Affiliates wherever possible. All referees that are Graded have ambitions of being involved in First Grade. We need to understand that we are in a competitive environment to supply referees to the NRL. We have to ensure we have a professional culture so that the NSWRL & NRL have confidence in our ability to consistently produce referees to the standard that is required.

DIRECTOR OF MEMBER SERVICES REPORT

LUKE BUGDEN

It is my pleasure that I present the Director of Member Services report for season 2015.

Prior to end of 2014 the Association held the Annual Les Matthews Memorial Golf Day at the picturesque Bowral Country Club. A good roll up of around sixty golfers turned up early playing for the coveted trophy. This is a popular event amongst members and Affiliates despite the distance travelled by some. Congratulations to Steven Clapson on organising another successful day. The popularity of the NSWRL Referees Social Golf Club waned a little during the year. Whilst not being a formal club its sole purpose was to get any members that were available together each month or so for a social game of golf. With Steve Clapson's assistance it is hoped that the social games can continue during 2016 and become a regular outing for members

The 5th Annual Partners of former Graded Members Lunch took place on the 22nd of August again at the home of Rugby League, the NSW Rugby Leagues Club. Numbers were down a little with some ladies on holidays and a few having to offer apologies due to illness.

Our Chairman and Executive Officer welcomed the ladies and acknowledged the contribution they have made to the Association

through their support of their husbands involvement with the Association.

Greg McCallum gave an overall history of the Club and tabled some of the Club's past Annual Reports and Rugby League programs from the era when their husbands were refereeing. Greg also pointed out the significant relationship shared between the Referees Association and the NSW Leagues Club with referees lectures and examinations being held there for many years. Also the many meetings and social functions that have been conducted since the club was established at the current Phillip Street site nearly sixty years ago. Greg added that this was the last social function of the Association to be held at the Club before closing its doors in October.

The NSW Rugby League held its Grand Finals at Pirtek Stadium at Parramatta this year. Following the three games about thirty members attended Parramatta Leagues Club for a celebration of the day and the 2015 season.

The Life Members' and Senior Members' luncheon was held on the Saturday of the NRL Grand Final weekend. Due to the impending closure of the NSW Rugby Leagues Club a new venue was sought. The York Conference and Function Centre at The NSW Bowlers Club was chosen. Although numbers were down on previous years an enjoyable afternoon was had by those that attended. The venue also proved favourable to those attending with positive comments regarding the catering and location of the venue.

This year's Laurie Bruyeres Recitation was given by former St George and Parramatta hooker Steve Edge. Steve gave a very humorous talk about his playing days and engaged the members with witty banter. My thanks to Greg McCallum for his assistance, his acting as M.C on the day and for designing placemats and the humorous videos and slideshows.

We again returned to the Concord Function Centre for the Presentation Evening. The night was well supported by members quests and kindred Associations.

Congratulations to the following recipients of the Association awards: -

Dennis Braybrook Award - Paul Tape (St. George)

Michael Stone Medal – Liam Nicholls

George & Amy Hansen Award - Michael Lewis

Eric Cox Medal - Doug Wintin

The area of member welfare and peer support continues to evolve. A reliable committee and strategic policy should allow us to address the welfare for members in relation to refereeing and personal matters.

Thanks to my fellow Board Members for their support and cooperation during the season and Committee members Doug Keen, Scott Murray and Matt Damaso for their help and assistance. Thanks also to the members for their support of the Association through their attendance at social events during the year.

Finally, I thank my dear wife Iris for supporting me and enduring my time away from home due to meeting and other commitments throughout the year.

I continue to enjoy the challenges and the opportunity to contribute and work together with other members to improve the Association. I look forward to being of service to the Association in the coming year.

DIRECTOR OF AFFILIATE LIAISON REPORT

DOUG KEEN

Again I would like to thank my fellow Board members for their hard work for the Association during season 2015. The Executive Officer works so hard and does a professional job, added with the travel he has to do certainly keeps Frank busy. The leadership of our Chairman again has been first class, strong and always with the referee's interest at heart. In his second year he has really grasped the position and continues to build strong bridges with all our stakeholders and various categories of members.

We implemented our Strategic Plan which will set us up for the future. We are still looking forward to working with the new proposed National Referees Manager and structure when it is put in place for the betterment of all officials nationally. It is well over due, some four years now, let's hope 2016 is the Year.

The role I occupy saw me visit our Affiliated Associations during the year for meetings and this year training sessions for the first time in a while, at most of our Districts. It's at night most of the time, so I would like to extend my thanks again to Sylvia for her understanding and little Jack when I am away from home.

THE ALL SCHOOLS CARNIVAL
WAS ANOTHER AREA WHERE
WE WORKED CLOSELY WITH
OUR AFFILIATES FOR REFEREES,
COACHES AND ASSESSORS IN
MAKING THE CARNIVAL WORK
WELL.

We liaised together with Associations with NRL Ref for a Day; meeting dates, recruit a ref, competitions, nominations for squads and awards as well as numerous other activities.

The Annual Conference was held early in the year at Homebush for the second year and it was a great success. Without the assistance of Frank Leonard, Tony Danks and Cathy Crowe this could not have been possible.

The All Schools Carnival was another area where we worked closely with our Affiliates for referees, coaches and assessors in making the carnival work well. Appreciation to Cathy Crowe, Frank Leonard and Tony Danks again for their hard work and dedication. Also to the CRLRA, Tony Hardy and Pat Walsh and Willy Barnes who worked hard on the carnival as well.

Awards such as Dennis Braybrook for Junior Development and Les Matthews for Referees Volunteer of the Year were again handed out.

Congratulations to Paul Tape from the St. George Association for taking out the Dennis Braybrook Award. The Les Matthews Award for Volunteering was won by Russell Stevens from the Cronulla-Sutherland Association.

The Junior Representative Squad had a strong year with new Head Coach in Tony De Las Heras ably assisted by Steve Clapson and Bryan Gilchrist. Changes in 2016 will see a new coaching panel with no Head Coach, but a Coachng Panel similar to the Grade Coaching panel.

Congratulations to Tony Danks NSWRL Referee Development Manager, Peter Filmer, Mick Lewis and Phil Cooley for another good year with the Grade Referees. Also thanks to Steve Clark for his assistance with his role as High Performance Manager with NRL.

Working with the Boards of our Affiliates also is very rewarding assisting where we can as a Board. Issues were handled very well when needed and I feel we have a good close relationship. The Association in the future will be one of assisting in Development of referees as a main goal as well as social and welfare. I again thank the Board for all their hard work. Special thanks to Cathy Crowe and Tony Danks from NSWRL who support

our Association and work closely together for the development and welfare of our referees. I appreciate their support.

It has been a pleasure and privilege to serve on the Board and I will miss it dearly, but will continue to work on various committees in the foreseeable future and stay committed to the Association. In my work role I will be still be visiting the Associations as I have done in the past and look forward to catching up with you all soon.

OUR PROUD AFFILIATED ASSOCIATION'S

DIRECTOR OF MARKETING & COMMUNICATION REPORT

GEORGE JANKOWSKI

It is with great pleasure and a sense of achievement that I present my eighth Annual Report as the Director of Marketing and Communications.

The NSWRLRA Web Page saw regular monthly hits of over 30,000, and a record in one day of 2100. The Web page has become a home to the records of the Association. We started the archiving process five years ago, and now we have over fifty years of Annual Reports, as well as NRL Year books, and Annual Conference reports dating back to 2011.

The Association has nearly eight hundred Twitter followers and a new Facebook page.

Some of the more successful stories from this season include:

• One of the most interesting stories this year was a rare parallel event that occurred in the Junior Representative Grand Finals, where two sons of Graded Members officiated the same game – although many years apart from their fathers. One was Nathan Loveday, who officiated as a Touch Judge in the 2015 S.G.Ball Grand Final. Nathan's father,

THE NSWRLRA WEB PAGE SAW REGULAR MONTHLY HITS OF OVER 30,000

Wayne, officiated in the same Grand Final, twenty-one years earlier in 1994. The other Junior Representative Member was Cameron Turner, who was a Touch Judge in this year's Grand Final for the Harold Matthews Cup, where his father, Russell, officiated in the same Grand Final in 1997 - eighteen years earlier!

- Peter Burke was presented with a framed and signed jersey from the Graded Squad in recognition of his ten years as the Head Trainer of the Graded Squad. Peter has been an outstanding trainer over the past decade, and his commitment and professionalism was recognised by the active members of the Graded Squad.
- NSWRLRA Officials and Windsor players were invited to a tenth year Anniversary Reunion Dinner of the winning Jim Beam Cup Grand Final team from 2005. Steve Clapson and I attended the Windsor Rugby League club, where the staff from the Windsor club made us very welcome.
- Stories on the young officials of the Under 15 Nationals in Western Sydney, under 12's in Darwin and under 18's in Wollongong area, were provided by Steve Clark and Doug Keen.
- The 41st All Schools Carnival was again held in the Penrith District, with photos of all officials from Day 2 of the finals being published on the web site.
- The Web Page has listed all members that have served in Armed forces, since 1908, with help of Terry Williams. We also listed all living members that have served in the Armed forces, with nine still alive and five with Active Service

I raised the concept of commemorating the 100 years of ANZAC last year in April. The Executive Officer suggested a coin that was used at all Grade games for the coin toss. Thank you to Doug Keen for arranging the production and distribution of these coins. A special thanks to Chris Cox, Brett Lynch, Kelvin Jeffes, Tony Butler, Ron Pearce, Terry Williams, Barry Ruttle, Jack Turner, Robert Culkin

and Mitchell Stone for their contribution to the information on members that have served.

There were many births, deaths and marriage celebrations this year. Congratulations to all our members who have had babies in 2015:

- Phil and Alexa Henderson, on the birth of their daughter Ari Mckay.
- Faye (Breslin) Lehane on the birth of her daughter Rory Anne Lehane.
- Damien and Chelsea Simes with their son Dane Charlie.
- Tyson and Lisa Flynn on the birth of Zac Flynn.
- The Association saw our oldest referee, Mr Robert Culkin, turn 99 in July, and our Life Members, Mr Joe Griffith, turn 80 in March, and Brian Barry turn 91 in February.
- Congratulations to Frank and Marie Leonard, who celebrated their 50 year wedding anniversary in August. Congratulations also go to Russell and Samantha Turner, as well as Jason and Lisa Walsh, who celebrated 20 years of marriage in September. Coincidentally, both couples were married on the same day.
- It was extremely sad to see the passing of our members Steve Nash, Noel McAlister and Ray Warner, as well as the wife to Tony Danks, Diana, in August.

In January, the Association celebrated one hundred years of support from the NSW Leagues Club in Phillip Street. Sadly, we also saw the closure of the club in October. For many years the NSW Leagues Club played a very signficant role in the life of the Association being a venue for Meetings, Social Functions including Life Member Presentation Evenings, and a meeting place for referees who worked nearby.

Congratulations to the three book launches this year; Mitchell Stone released his second children's book, "Tunnel Trouble". Peter Longhurst wrote a book, "A Simple Thank You, Your Key to Happiness and Success". Plus, our photographer, Angela Robertson-Buchanan, also released a children's book, "Bonny Grows Her Feathers and Learns to Fly".

Congratulation to Drew Oultram and Josh McGowan on their NYC centre debuts, and Scot Murray, Mark Bohan and Ryan Jackson, who made debuts to the NSW Cup.

NRL debuts saw Matt Noyen as a referee in March, as well as Chris Sutton later in the season. Lawrence McDonell, Kasey Badger, Rohan Best and Ziggy Przeklasa-Adamski all made their first appearances on the touch line.

On the field NRL members achieved many milestones:

• Steve Clark reached 600 NRL games as an NRL Match Official (Video Referee and on field Referee). Steve was also invited

to be the key note speaker to officials in the USA, where he presented to a major conference about the AIS scholarship program for officials.

- Steve Chiddy passed 450, and Matt Cecchin and Steve Carrall passed 400 game totals as NRL Officials in all roles.
- Ben Cummins and Gavin Badger achieved 250 centres,
- Alan Shortall achieved 150 NRL games,
- Nick Beashel, who reached 100 NRL touch lines in May. Early retirements saw Nathan Smith leave the squad and Scot Murray calling it a day in the last round, completing his career with a Grand Final in the Women's Tier "A" Competition. Brendan Lucas officiated in the Sydney Shield Grand Final, as a Touch Judge, and announced his retirement also.

Owen Smith retired from the NSW Police Force after 55 years of working for NSW State Government, which included 24 years of service with the NSW Police. We wish him all the very best for his well-deserved retirement.

Next year the NSWRLRA will have a new look web page, with less advertising, and it being easier to use on mobile phones and

tablet devices, at: www.nswrlra.leaguenet.com.au

Thank you to those who contributed photos this year - Jeff Younis, Doug Keen, Daniel Luttringer, Rohan Best, Greg McCallum, Blake Edwards, Tony Danks and Russell Turner. Thank you to Russell for also maintaining the NRL statistics and milestones.

Greg Jurd and Angela Robertson-Buchanan were our official photographers for the annual group photo of the Junior Representative Squad and Grade Squads, and thank you to the NRL and NSWRL for their photographic contributions.

Thank you to my Marketing Committee, who contributed in many ways - Steve Clark, Rohan Best, Mitchell Stone, Paul Holland and James Vella.

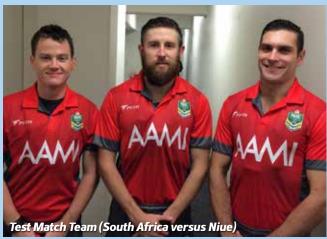

Thank you to my Historical Committee - Chris Turner, Greg McCallum, Jason Higgins and Russell Turner.

Finally, thank you to my partner, Selina Ellis, for her assistance on the archiving of the records of the NSWRLRA. Special congratulations to my daughter Kristie, on her wedding in September, with thanks to Greg McCallum who performed the officialdoms.

NSW STATE CUP SQUAD COACH'S REPORT

This season we had Adam Cassidy and Chris Treneman promoted to the part time squad of the NRL Referees and we wish these two young gentlemen every success in their future careers.

NSW Grade squad commenced pre-season in November 2014, full training commenced in January 2015. We introduced during the season the following referees Mark Bohan (Penrith), Taylor Deland-Cleveland (Souths) Damien Simes (St George) to the Grade Squad.

This season we asked for Expressions of Interest from suitably qualified referees to trial with the Squads for the opportunity to be appointed as Touch Judges for the year. We introduced to the squad Mark Hinton (St George) Feras Karem (Uni Cup), Shaun McHatton (Souths), Lyndsay Packer (Penrith), Tim Robinson (Uni Cup) and Darren Van de Moosdyk (Illawarra). For this group in their first season I am sure they would all agree it was a huge learning curve particularly in regards to physical training. We will again call upon the Districts for nominations for season 2016.

Once again the relationship with the NRL Head Coaches led by Tony Archer, Russell Smith, Bernard Sutton and Shayne Hayne

were open and honest during the year, aiming to achieve the best results for our Squads. In 2016 we again will be working closely with these gentlemen and wish them a good off-season.

This year's final series of the NSW Cup, Ron Massey Cup and Sydney Shield competitions was our most successful to date with all match officials contributing to an excellent day of football. Congratulations to all our Officials who participated in season 2015, in particular I would like to mention the following: NSW Cup Referee Liam Nicholls, Michael Laverty and Jay Farlow Touch Judges, Jeff Hartup standby, with Phil Cooley and Sean Hampstead Video Referees. Ron Massey Cup referee Daniel Olford, Touch Judges John Woods and Rohan Best, In Goal Touch Judges James Vella and Josh McGowan, Ryan Jackson stand by Official. Sydney Shield Referee Damian Briscoe with Touch Judges Matt Damaso and Brendan Lucas, Todd Smith and Darian Furner as In Goal judges with Ryan Jackson again the standby Official.

Other notable appointments were Rohan Best making his NRL debut as a Touch Judge, including the NRL State Championship between Newcastle and Ipswich. Under 16's NSW v Qld State Of Origin referee Daniel Olford, Touch Judges Rohan Best and Mitchell Stone with Damian Briscoe standby.

My thanks go to Tony De Las Heras in his first year as Head Coach of the Junior Representative Squad along with his Assistant Coaches, Brian Gilchrist, Steve Clapson and Doug Keen. The

dedication these Coaches put into the development of the Squad is of the highest standard that allows the Squad to advance their careers. I look forward to working with our Junior Representative Coaching Panel in 2016.

I have been extremely fortunate over the years to have had Peter Filmer and Phil Cooley and this year Michael Lewis as our Grade Squad Coaches. All three have given much of their time and experience to ensure improvement in the Squad and importantly they show a caring attitude to each Squad member. Steve Clark again assisted with skills and coaching of the Squad.

To Paul Kalina my sincere thanks for the time and effort he so generously gave preparing our monthly coaching sessions. The USB presentations were of the highest quality, these were also shared with the District Associations. Many thanks also to Frank Leonard, Executive Officer and Paul Simpkins and their Board of NSWRLRA, for their support of the NSW Grade and Junior Representative Squads, as the very strong partnership between the Referees' Coaching and Development Unit and the Association continues to go forward.

Special mention must be made of Doug Keen for his hard work and commitment to the Junior Representative Squad through his coaching and organising of the Presentation Evening for this Squad. A huge thank you to Cathy Crowe for the enormous amount of work she puts into our Grade and Junior Representative Squads. No task is too large and I thank her on behalf of the Coaching staff and both Squads' members.

To all our Active Members I look forward to working with you again in Season 2016 and like to wish each and every one of you from the NSW Rugby League and members of the NSW Referees Association and our District Associations and their members a very happy and joyous New Year.

TONY DANKS

NRL ELITE PERFORMANCE MANAGER'S REPORT

Season 2015 in the National Rugby League was one of the closest in relation to score line that the competition has ever experienced which culminated in a 'Golden Point' Grand Final. That closeness from a NRL match officiating perspective is simply a higher level of external scrutiny and debate over our performances. From an internal viewpoint it is no different.

We as a group pride ourselves on the ability to evaluate our performances thoroughly, efficiently and consistently with the sole purpose of identifying areas of improvement individually and as a Squad. The successful achievement of this facet is a credit to the Squad members but most significantly the efforts and long sleepless nights of Russell Smith, Andrew Dunemann, Bernard Sutton, Steve Chiddy and Shayne Hayne over the 30 weeks of the season. I thank them for the commitment and passion for the positions they hold.

This season also witnessed an important change in the two referee system, where each team of officials had a Lead Referee appointed, who was responsible for being the controlling referee for a minimum of 80% of any match. This was an important improvement in the refinement of the system.

In addition to the coaching staff, I would like to thank the remaining people that are an integral part of the success of our High Performance Department in Michelle Minichiello (Physiotherapist), Cameron Black (Strength and Conditioning Manager), Matt Jeffries (PHD student), Reece Williams (Assistant Strength and Conditioner) and Kristy Mills (Analyst). I also need to make special mention of Don Stuart our Referee Operations

THROUGHOUT THE YEAR WE HAVE HAD MANY HEALTHY DEBATES ABOUT REFEREEING BUT MOST SIGNIFICANTLY, WE HAVE A COMMON GOAL TO IMPROVE REFEREEING IN THIS COUNTRY.

Manager. Don has been part of the refereeing fraternity for almost twenty years from starting as a match day trainer to his current role. Don is leaving the NRL at the end of 2015 to relocate to the United States of America. Donny's loyalty, dedication, commitment and support is without question. The long hours, his ability to handle pressure situations and have a solution whilst keeping a smile on everyone's face is remarkable. He was the 'gel' that held the place together. He will be sorely missed and even harder to replace.

As in any season, individuals and the group have had highs and lows, but importantly, there has been an increased level of support that the NRL Referee Squad received from the NRL hierarchy, including Nathan McGuirk, Todd Greenberg and Dave Smith, as well as the NRL Commission. It was refreshing to regularly see members of the Commission in dressing rooms after matches, as well as members of the NRL Senior Executive team.

The continuation of the Emerging Squads saw an increased level of communication between our Emerging Squad Coach, Shayne Hayne and the two State Managers, Tony Danks and Eddie Ward. This season witnessed the adoption of the NRL numerical based assessment evaluation process in both the QLD and NSW State Cups. I would like to recognise the work of Paul Kalina in providing the information from those evaluations to our Emerging Squad Coach and myself. It was very valuable. I would also thank the Association for funding Paul's computer program.

The NRL squad has seen a greater presence of NSWRLRA in 2015 through the leadership of Chairman Paul Simpkins. Throughout the year we have had many healthy debates about refereeing but most significantly, we have a common goal to improve refereeing in this country. This joint pursuit is being enhanced by the opportunity to meet face to face with Paul this season with Todd Greenberg, Nathan McGuirk and myself which occurred throughout the season. Additionally the chance to present to the Association with the NRL Head of Football is important. Most significantly, to have Matt Hewitt, the Director of Coaching and Development, also being an evaluator in Holden Cup is critical to ensure that there is a commonality in coaching and evaluation methodology.

The role of the Association will only improve when quality people like Paul and Matt are involved. I congratulate all match officials for their season and look forward to working with a number of members of the NSWRLRA in the future.

INTER-DISTRICT DEVELOPMENT SQUAD COACH'S REPORT

Season 2015 witnessed a change in leadership of the Inter – District Development Squad when Michael Lewis was promoted to the Graded Squad leaving a vacancy for the position of Head Coach of the Development Squad. After lengthy interviews by the NSWRL and NSWRLRA, I was successful in obtaining the Head Coach role

At the first training session in November with the Squad I embarked on an "open and honest" communication for Season 2015 with all staff and referees and to let referees know where they stood in regards to fitness and performance. This set the tone for the Squad and I was extremely pleased that did not waiver the entire season

Pre-season training started with Wednesdays at Norford Park and Sunday beach sessions at Clovelly, Wanda, Collaroy and Fairy Meadow. The attendance for all these sessions was outstanding. The fitness level shown by the Squad early on had me very excited for the year ahead.

Before the season started Mark Bohan, Taylor Deland-Cleveland, Damien Simes, Matthew Treneman were promoted to the Graded Squad. This, with the loss of Kieren Irons and Darian Furner, Graded the previous year and a few of our more senior referees retiring, left the Squad the most inexperienced it had been for a number of years. As a result, we added fourteen referees from the 'Train on Squad' to boost the numbers. This then gave a number of referees the opportunity to referee SG Ball and Harold Matthews for the first time. The size of the squad rose to fifty five.

Congratulations have to be extended to Martin Jones and Tim Hannon on their appointments to the Finals of the SG Ball and Harold Matthews competitions respectively. A fitting reward to an outstanding year by both men. Martin also refereed the Final of the GIO Cup with Mitchell Currie refereeing the Trophy Final of the competition. Martin topped off a fantastic year by being selected to officiate in the Under 18 Australian Schoolboys Championship

AT THE FIRST TRAINING SESSION IN NOVEMBER WITH THE SQUAD I EMBARKED ON AN "OPEN AND HONEST" COMMUNICATION FOR SEASON 2015

in Wollongong. Tim Hannon and Jo West were selected to officiate in the Under 15's Australian Championships in Penrith. By all reports all referees performed very well and were unlucky not to referee a Final.

We are also fortunate to have a referee exchange with our Queensland counterparts with Ryan Thomas and Brad Kiehne selected for these games. I would like to thank Steve Clark, Eddie Ward and John Topp for maintaining this opportunity.

To our trainers, Ben Artup and Nathan Johnson, thank you for your tireless efforts preparing programmes for each session. Your professionalism and expertise is greatly appreciated.

To our trainer, Peter Roughly, who assisted officials with slight niggles and strains and got them prepared for the weekend appointments, thank you.

I would also like to thank Sean Hampstead, Steve Clark, Bill Harrigan and Phil Cooley for their continued help with the Squad. Special thanks to Cathy Crowe for your assistance with not only me, but with the entire Coaching Staff and the Squad.

To the Executive of the New South Wales Rugby League Referees Association under the excellent guidance of Paul

Simpkins, thank you for the continued support to the Squad.

We are very fortunate to have some quality Assessors that have assisted the Squad this year. Thank you for your expertise that may one day help these referees make that next step.

To Tony Danks, thank you for your support and guidance throughout the year. I had Tony's number on speed dial with my thoughts on the Squad. Tony's leadership and outlook on coaching and how we can improve, not just as an Inter District Squad but in all refereeing, gave me a better understanding on how we can all improve as a Coaching Staff in the future.

I would like to thank Steve Clapson, Bryan Gilchrist and Doug Keen for making this task easier as I could not have asked for anything more from them. Their professionalism throughout the year and their help with the Squad members, on and off the field with differing personalities, is very much appreciated.

Finally to my wife Tanya and my daughters Leah and Kiara, thank you for your strong support shown to me throughout the year. The countless hours travelling to grounds for trials, training, games and to Association meetings and the understanding they have provided during the year as a result of this, being aware that the role has meant being away from home for periods of time, is greatly appreciated.

Best wishes for Season 2016, a big chance for all referees who make the Squad to show their commitment and dedication that hopefully one day will see them make the big step to the NRL.

NRAS STATE MANAGER'S REPORT

DOUG KEEN

Another solid year for NRAS in 2015 with the On-line system settling in after its first full season. Thanks to all the Association Providers who supported our endeavours, courses and updates as they went along.

For the first time we held a mentors course for referees to support younger referees, this was aimed at a young referee with

THANKS TO THE DISTRICT
PROVIDERS ASSISTANCE, FOR
WITHOUT YOUR COMMITMENT,
NOTHING OR NO ONE CAN MOVE
ON AND DEVELOP.

two to three years experience to look at and mentor first year referees. Saints and Manly send most of the attendees. It is similar to a pre-course for CMO and we will run another for next season starts.

No Provider update was required this year as we put twenty-seven through with the new on line system in 2015, but a new course and update for Providers is on the agenda for early 2016.

Two courses were held for Level 2 with eighteen participants and we plan to have one before years end 2015 and again another for season 2016.

CMO Courses were revamped, we held a new Level 1 course on 21st November 2015 with twenty participants in order to get ready for the 2016 season.

In closing, thanks to the District Providers assistance, for without your commitment, nothing or no one can move on and develop. The Association really values your input.

THE NSWRLRA 300 CLUB

During 2012 the then Chairman, Chris Ward put a proposal to the Board of Directors that a 300 club be established to honour those referees who were members of the NSWRLRA Inc. and had officiated in First Grade fixtures or the equivalent (including representative games) for a minimum of 300 Games as a Central Referee, Touch Judge, In-Goal Judge and/or Video Referee in any one or a number of combinations. The Board supported the proposal at the time and in 2013 it became a reality. Seventeen former Graded referees were inducted into the Club at the Seniors Life Members' Luncheon held at the NSW Leagues Club on the 28th September, 2013 together with the recognition of another six who remain active and will be honoured with a similar presentation when their careers conclude.

ANZAC 100 YEARS COMMEMORATION

NSWRLRA COMMEMORATES THE REFEREES OF ANZAC IN ITS CENTENARY YEAR

The Board of the NSWRLRA approved the idea of striking an ANZAC Coin to be presented to all Central Referees and used at all ANZAC Day weekend matches as the official coin in the toss between the two Captains. Below is a summary of some of our members that served in a variety of Armed Forces through the history of the Association:

REFEREES IN THE FIRST WORLD WAR

Edward Rennix Larkin (Grade Number 21)

Had been Newtown's first captain when District football was introduced in Rugby Union in 1900 and played one test for the Wallabies against New Zealand in 1903. He joined the NSWRLRA as an active member in 1909. Edward also became Secretary of the NSWRL. He later left Rugby League to become a member of Parliament for the seat of Willoughby. Ted Larkin served at Gallipoli in WW1, where he was killed in action on ANZAC Day, 1915.

Herb Elliott (Grade Number 57)

(not to be confused with the Olympian) was graded in 1910. Herb enlisted at the age of 30, and received the Military Medal for his efforts on the Western front. After the war, Herb resumed his refereeing career, and was awarded Life Membership of the NSWRLRA in 1929. Herb died in 1959.

Like the rest of Australia, the Referees Association was deeply affected by the First World War. Amongst those who served were referees:

EA Shaw, Graded in 1910, with Graded number: 80 **Carroll**, Graded in 1910, with Graded number: 53 **Dunlop**, Graded in 1913, with Graded number: 125 **T Norman**, Graded in 1910, with Graded number: 72

THE BOARD OF THE NSWRLRA INVITED BARRY RUTTLE (GRADE NUMBER 772) TO ENJOY THE AFTERNOON AT THE ROOSTERS V DRAGONS GAME ON ANZAC DAY THIS YEAR. BARRY SHARED STORIES ABOUT HIS SERVICE AND MATES BEFORE ENJOYING THE GAME.

THE CHAIRMAN OF THE NSWRLRA SAID, "IT WAS A PLEASURE TO EXPERIENCE THIS SPECIAL DAY WITH ONE OF OUR OWN DIGGERS. WHEN YOU LISTEN TO THEIR STORY, IT IS A REMINDER THAT WE NEED TO LOOK AFTER THESE GUYS WHO SUFFERED PLENTY TO GIVE US THE LIFE WE ENJOY. TO SEE COMPLETE STRANGERS AT THE BAR JOIN IN OUR CONVERSATION AND BUY BARRY A BEER TO SAY THANK YOU FOR WHAT YOU HAVE DONE REALLY WARMS YOUR HEART."

REFEREES INVOLVED THE SECOND WORLD WAR

Eric Cox Service Record 1940 to 1943 (Grade Number 510)

1940: Joined the Royal Australian Navy at age 16, where he sailed on HMS Kanimbla. Served in India, Burma, Persian Gulf, North and South Africa, East India Station and Mauritius.

1941: HMS Kanimbla sailed to Banda-Shapur in the Persian Gulf. The crew received sixpence a day danger money. They captured 22 German ships - mainly oil carriers and grain ships.

1943: Drafted to HMAS Westralia. Westralia was a landing ship attached to the American 7th Amphibious Fleet. They took part in beach landings at Cape Gloucester, Arawu Hollandia, Finchaven, Iwo Jima, Borneo and Leyte Bay as well as at Panoan and Luzon. At the conclusion of the war, Eric was sent to the minesweeper HMAS Swan. This ship cleared the shipping lanes around Australia and in Rabaul Harbour.

The Second World War also saw the members of the Association do their bit to contribute to the overall war effort.

The Minutes and Annual Reports of the Association during the period record the many fundraisers and regular correspondence exchanged with members who were serving in the various arms of the defence force. Other members enlisted during the years from 1939 – 1945 and served in a variety of capacities across all arms of the forces include:

One of them, **Eddy Goss**, made the ultimate sacrifice and was killed during the Japanese push into the South Pacific. Born at Millers Point and residing at Glebe when he enlisted, Goss perished in the Battle of Muar, Malaya. This was some of the fiercest fighting seen in the war and saw Australian troops fighting a rear guard action in a vain attempt to stave off the Japanese assault on Malaya and Singapore. Goss's 2/19th Battalion was caught up in the thick of it. He is buried at Kranji War Cemetery.

CHAIRMAN'S REPORT

Paul Simpkins stated that his full Report for the year was in the Annual Report. Reflecting on his first year as Chairman he thanked all those who had provided him with assistance.

He said his role was a "Work in Progress" and believed that the Association had progressed during 2014 making particular reference to The Strategic Management Plan which is in place in Draft Form and he invited comment on it prior to it being finalised in February, 2015.

He said that the Plan holds the Board accountable to the document and to every member of the Association. "What we stand for is in the document", he said.

He said that the Game is changing but he was very pleased with the Coaching and Development of our referees in all three Squads. He thanked the NRL and Tony Archer for the inclusion of some Life Members in some of their activities stating that the Association's history needs to be cherished and acknowledged. In 2015 the Association's role in Coaching and Development will be vital in building bridges between the NRL and the Association and the glue in bringing it all together. He said he foresees the Pathways being opened up further.

The Chairman said that The Strategic Management Plan emphasizes the Refereeing Family and that this is what this Annual General Meeting represents but also extends deeply into our Affiliates and there is a need to move forward in that direction.

He congratulated all those who had officiated during 2014 and thanked their coaches, Assessors and Mentors for their input.

Tony Danks seconded the adoption of the Report stating that it was a pleasure to endorse the comments made by Phil Haines and the work done by Jimmy Oliveira.
